FIRE, CASUALTY AND MISCELLANEOUS

GENERAL INFORMATION AND COMMENT PERTAINING TO FIRE, CASUALTY AND MISCELLANEOUS COMPANIES

During the year 1929 this Department had under its supervision three hundred and nine fire insurance companies, fifteen of which were Iowa companies, operating under the provisions of Chapter 404, Title XX, of the Code of 1927. In addition to the fire companies, there were one hundred and forty-six casualty companies, ten of which were Iowa companies, operating under the same chapter. Twenty-nine state mutuals and one hundred and fifty-eight county mutuals were operating under the provisions of Chapter 406, Title XX, of the Code of 1927. Thirty reciprocal exchanges were operating under Chapter 408, and five assessment accident associations were operating under the provisions of chapter 400, Title XX, of the Code of 1927.

POLICY FORMS AND ENDORSEMENTS

During the year 1929 approximately thirteen hundred thirty-two fire, casualty and miscellaneous policy forms and endorsements were approved by this Department for stock and mutual companies, mutual associations and reciprocal exchanges. The submission of these forms and endorsements is in accordance with the provisions of the statutes relating to the fire and casualty business.

ADMISSION REQUIREMENTS

Before a non-Iowa company may be licensed to transact business in the State of Iowa, it is necessary that the following requirements be complied with. The company must file:

1. Certified copy of articles of incorporation.

2. Certified copy of by-laws.
3. Certificate of compliance from home department.
4. Certificate of deposit with home department (if any).
5. Certified copy of last departmental examination.
6. Properly executed power of attorney (resolution of board of directors attached).
7. Certified copy of last preceding annual statement.
8. Certified statement of financial condition (to be submitted as of date which is within thirty days of filing date unless the date of filing is prior to April 1, of the year in which application is made).
9. Triplicate copes of all policies and endorsements.
10. Remittance covering proper filing fees must accompany the above documents.

ADMISSION FEES—NON-IOWA COMPANIES

Filing articles of incorporation	$25.00
Filing financial statement	20.00
Certificate of authority	2.00
Two certificates of publication	4.00
Publicaton fee	12.00
Total	$63.00

When by the laws of any other state, any taxes, fines, penalties, licenses, fees, deposits of money, securities or other obligations or prohibitions are imposed, or would be imposed, on insurance companies of this state doing or that might seek to do business in such other state, or upon their agents therein so long as such laws continue in force the same obligations and prohibitions of whatever kind shall be imposed upon all insurance companies of such other state doing business in this state or upon their agents here.

GENERAL INTERROGATORIES

Have all the transactions of the association of which notice was received on or before the close of business, December 31st, been truthfully and accurately entered on its books? Yes.

Except as shown in the next succeeding question, does this statement show the condition of the association as shown by the books, records and data at the close of business, December 31st? Yes.

Have there been included in this statement proper reserves to cover liabilities which may have been actually incurred on or before December 31, but of which no notice was received at the home office until subsequently? No reserves required in Iowa.

Were any of the stocks, bonds or other assets of the association loaned during the year covered by this statement? No.

Gross premiums, assessments and fees (less reinsurance and return premiums) received from organization of association $17,181,508.80.

Net losses paid since organization $9,453,918.88.

Largest gross aggregate amount insured in any one hazard, without any deductions whatever for reinsurance, whether the same be in admitted or non-admitted associations or companies? $75,000.00.

Largest net aggregate amount insured in any one hazard? $40,000.00.

What salary was paid during the past year to each of the following officers: President $8,400.00; Vice President None; Secretary $12,000.00; Treasurer None; Adjusters from $5.00 to $12.00 per diem and actual expenses while at work.

What, if any, commission was paid each of said officers in addition to such salary? None.

Does the association provide in its by-laws and specify in the policies the maximum liability of its members to it? Yes and No.

Does the association collect advance assessments? Yes on automobile policies and tornado and windstorm policies. No on hail policies.

What amount of the association's risks are written for one year? All auto policies, about 1/3 Nebraska hail in certain zones.

What amount of the association's risks are written for five years? Nearly all hail and tornado and windstorm policies.

Give amount of risks in force on which this year's assessment was made $34,283,977.00 hail and $1,690,432.50 tornado.

What is the amount of one annual assessment, at the basis rate, on all risks in force December 31, current year? Does not apply.

What is the amount of one annual assessment, at the basis rate, on all reinsurance in force December 31, current year? Does not apply.

Has any change been made during the year of this statement in the articles of incorporation, or by-laws of the association? Yes.

Has the policy now used by the association been approved by the Commissioner of Insurance? Yes all policies.

Are the articles of incorporation and by-laws printed in full on the policy? Yes, on hail and tornado policies. Not on auto policies.

What kinds of property does the association insure? Growing crops against hail storms. Buildings and contents of various kinds and personal property against tornado and windstorms. Automobiles against fire and theft, liability, property damage and collision.

What kind of risks does the association cover (fire, hail, etc.)? Hail, tornado, windstorm and automobiles as above.

How many assessments did the association make last year? One.

What was the rate levied for each assessment? Hail—Iowa, 2%; Nebraska Zone 0, 2.7%, Zone 1, 3.6%, Zone 2, 5.4%; South Dakota Zone 0, 4%, Zone 1, 5%, Zone 2, 6¼%. Tornado 75 cents per 1,000 class A; $1.00 per 1,000 class B. South Dakota Class A 75 cents; class B $1.50.

In what states is the association authorized to transact business? Iowa, South Dakota, Nebraska and Missouri.

What officials and heads of departments of the association supervised the making of this report? Secretary, Assistant Secretary and Bookkeeper.

GENERAL INTERROGATORIES

Have all the transactions of the association of which notice was received on or before the close of business, December 31st, been truthfully and accurately entered on its books? Yes.

Except as shown in the next succeeding question, does this statement show the condition of the association as shown by the books, records and data at the close of business, December 31st? Yes.

Have there been included in this statement proper reserves to cover liabilities which may have been actually incurred on or before December 31, but of which no notice was received at the home office until subsequently? Yes.

Were any of the stocks, bonds or other assets of the association loaned during the year covered by this statement? No loans.

Gross premiums, assessments and fees (less reinsurance and return premiums) received from organization of association. $1,985,558.65.

Net losses paid since organization. $725,656.04.

Largest gross aggregate amount insured in any one hazard, without any deductions whatever for reinsurance, whether the same be in admitted or non-admitted associations or companies? $45,000.00 tornado, $15,000.00 fire.

Largest net aggregate amount insured in any one hazard? $10,000.00 tornado, $7,500.00 fire.

What salary was paid during the past year to each of the following officers: President, $750.00; vice president, none; secretary, $10,000.00; treasurer, $900.00; adjuster, per diem.

What, if any, commission was paid each of said officers in addition to such salary? Not any.

Does the association collect advance assessments? Yes. If so, are the same authorized in the articles of incorporation and by-laws? Yes.

What amount of the association's risks are written for one year? $341,787,662.

What amount of the association's risks are written for five years? $57,464,273.

Give amount of risks in force on which this year's assessment was made. $47,081,182.00.

What is the amount of one annual assessment, at the basis rate, on all risks in force December 31, current year? Do not use basis rate.

What is the amount of one annual assessment, at the basis rate, on all reinsurance in force December 31, current year? Do not use basis rate.

Has any change been made during the year of this statement in the articles of incorporation, or by-laws of the association? No.

Has the policy now used by the association been approved by the commissioner of insurance? Yes.

Are the articles of incorporation and by-laws printed in full on the policy? On dwelling policy.

What kinds of property does the association insure? Town dwelling property against fire and lightning. Private automobiles against fire, theft, tornado, liability and property damage, collision, plate glass and cargo.

What kind of risks does the association cover (fire, hail, etc.)? Any good risk against tornado.

How many assessments did the association make last year? One assessment.

What was the rate levied for each assessment? On all insurance in force written between the 1st day of February, 1925, and the last day of February, 1926,, Class A-1, 10 cents; Class 1, 12½ cents; Class 2, 15 cents; Class 3, 17½ cents; Class 4, 20 cents; Class 1A, 30 cents; Class A, 35 cents; Class B, 40 cents. Churches and school houses, 30 cents above dwelling rates. All insurance written between the first day of February, 1926, and last day of January, 1929, Class 1, 2 and 3 except garages, barns and their contents, 10 cents per hundred. Garages, barns and their contents, 15 cents per hundred and all tornado insurance on town dwelling 7½ cents per hundred and on farm property, 10 cents.

In what states is the association authorized to transact business. Iowa.

What officials and heads of departments of the association supervised the making of this report? Secretary.

GENERAL INTERROGATORIES

Have all the transactions of the association of which notice was received on or before the close of business, December 31st, been truthfully and accurately entered on its books? Yes.

Except as shown in the next succeeding question, does this statement show the condition of the association as shown by the books, records and data at the close of business, December 31st? Yes.

Have there been included in this statement proper reserves to cover liabilities which may have been actually incurred on or before December 31, but of which no notice was received at the home office until subsequently? Yes.

Were any of the stocks, bonds or other assets of the association loaned during the year covered by this statement? No.

Gross premiums, assessments and fees (less reinsurance and return premiums) received from organization of association $1,388,178.90.

Net losses paid since organization. $544,712.21.

Largest gross aggregate amount insured in any one hazard, without any deductions whatever for reinsurance, whether the same be in admitted or non-admitted associations or companies? $4,000.00.

What salary was paid during the past year to each of the following officers: President, none; vice president, none; secretary, $4,800.00; treasurer, $400.00; adjuster, per diem.

What, if any, commission was paid each of said officers in addition to such salary? Only regular commission on business written.

Does the association provide in its by-laws and specify in the policies the maximum liability of its members to it? Yes.

Does the association collect advance assessments? Yes. If so, are the same authorized in the articles of incorporation and by-laws? Yes.

What amount of the association's risks are written for one year? $85,527,378.

What amount of the association's risks are written for five years? $14,928,736.

Give amount of risks in force on which this year's assessment was made. Advance assessments.

What is the amount of one annual assessment, at the basis rate, on all risks in force December 31, current year? $38,529.35.

What is the amount of one annual assessment, at the basis rate, on all reinsurance in force December 31, current year? $7,356.42.

Has any change been made during the year of this statement in the articles of incorporation, or by-laws of the association? No.

Has the policy now used by the association been approved by the commissioner of insurance? Yes.

Are the articles of incorporation and by-laws printed in full on the policy? Yes.

What kinds of property does the association insure? Automobile, town dwelling, mercantile.

What kind of risks does the association cover (fire, hail, etc.)? Fire, tornado, liability, property damage.

How many assessments did the association make last year? None, we collect advance assessments.

What was the rate levied for each assessment? Various.

In what states is the association authorized to transact business? Iowa.

What officials and heads of departments of the association supervised the making of this report? Leslie S. Bleakly, secretary; Forrest M. Grove, auditor.

GENERAL INTERROGATORIES

Have all the transactions of the association of which notice was received on or before the close of business, December 31st, been truthfully and accurately entered on its books? Yes.

Except as shown in the next succeeding question, does this statement show the condition of the association as shown by the books, records and data at the close of business, December 31st? Yes.

Have there been included in this statement proper reserves to cover liabilities which may have been actually incurred on or before December 31, but of which no notice was received at the home office until subsequently? No.

Were any of the stocks, bonds or other assets of the association loaned during the year covered by this statement? None.

Net losses paid since organization. $791,950.96.

Largest gross aggregate amount insured in any one hazard, without any deductions whatever for reinsurance, whether the same be in admitted or non-admitted associations or companies? Wind, $65,000.00; fire, $25,000.00.

Largest net aggregate amount insured in any one hazard? School and churches, $8,500.00; wind risks, $10,000.00; farm and town dwelling, $2,500.00.

What salary was paid during the past year to each of the following officers: President, $600.00; vice president, none; secretary, $5,400.00; treasurer, none; adjuster, $7.00 per diem and expenses.

What, if any, commission was paid each of said officers in addition to such salary? None.

Does the association provide in its by-laws and specify in the policies the maximum liability of its members to it? Yes.

Does the association collect advance assessments? Yes. If so, are the same authorized in the articles of incorporation and by-laws? Yes.

What amount of the association's risks are written for less than five years? $7,185,580.00.

What amount of the association's risks are written for five years? $81,039,890.

Give amount of risks in force on which this year's assessment was made. $68,499,599.00.

What is the amount of one annual assessment, at the basis rate, on all risks in force December 31, current year? No basis rate.

What is the amount of one annual assessment, at the basis rate, on all reinsurance in force December 31, current year? No basis rate.

Has any change been made during the year of this statement in the articles of incorporation, or by-laws of the association? No.

Has the policy now used by the association been approved by the commissioner of insurance? Yes.

Are the articles of incorporation and by-laws printed in full on the policy? No.

What kinds of property does the association insure? Fire, lightning, tornado, cyclone and windstorm; also hail coverage on buildings.

What kind of risks does the association cover (fire, hail, etc.)? Farm, town dwelling, church, school and mercantile properties.

How many assessments did the association make last year? One.

What was the rate levied for each assessment? See attached notices.

In what states is the association authorized to transact business? Iowa.

What officials and heads of departments of the association supervised the making of this report? Secretary and assistant to secretary.

GENERAL INTERROGATORIES

Have all the transactions of the association of which notice was received on or before the close of business, December 31st, been truthfully and accurately entered on its books? Yes.

Except as shown in the next succeeding question, does this statement show the condition of the association as shown by the books, records and data at the close of business, December 31st? Yes.

Have there been included in this statement proper reserves to cover liabilities which may have been actually incurred on or before December 31, but of which no notice was received at the home office until subsequently? No.

Were any of the stocks, bonds or other assets of the association loaned during the year covered by this statement? No.

Gross premiums, assessments and fees (less reinsurance and return premiums) received from organization of association $2,435.71.

Net losses paid since organization $75.43.

Largest gross aggregate amount insured in any one hazard, without any deductions whatever for reinsurance, whether the same be in admitted or non-admitted associations or companies? $25,000–$30,000.

Largest net aggregate amount insured in any one hazard? $2,000–$2,000.

What salary was paid during the past year to each of the following officers: President, none; vice president, none; secretary, none; treasurer, none; adjuster, see note.

What, if any, commission was paid each of said officers in addition to such salary? Secretary gets $1.00 per policy, not to exceed 10 per cent.

Does the association provide in its by-laws and specify in the policies the maximum liability of its members to it? No.

Does the association collect advance assessments? Yes. If so, are the same authorized in the articles of incorporation and by-laws? Yes.

What amount of the association's risks are written for one year? All.

What amount of the association's risks are written for five years? None.

Has any change been made during the year of this statement in the articles of incorporation, or by-laws of the association? No.

Has the policy now used by the association been approved by the commissioner of insurance? Yes.

Are the articles of incorporation and by-laws printed in full on the policy? No.

What kinds of property does the association insure? Automobiles.

What kind of risks does the association cover (fire, hail, etc.)? Fire, transportation, tornado, explosion, hail, theft, property damage, liability, collision, plate glass.

How many assessments did the association make last year? None.

In what states is the association authorized to transact business? Iowa.

What officials and heads of departments of the association supervised the making of this report? President and secretary.

GENERAL INTERROGATORIES

Have all the transactions of the association of which notice was received on or before the close of business, December 31st, been truthfully and accurately entered on its books? Yes.

Except as shown in the next succeeding question, does this statement show the condition of the association as shown by the books, records and data at the close of business, December 31st? Yes.

Have there been included in this statement proper reserves to cover liabilities which may have been actually incurred on or before December 31, but of which no notice was received at the home office until subsequently? Can have no such liability.

Net losses paid since organization. $2,588.22.

Largest gross aggregate amount insured in any one hazard, without any deductions whatever for reinsurance, whether the same be in admitted or non-admitted associations or companies? $6,000.00.

Largest net aggregate amount insured in any one hazard? $6,000.00.

What salary was paid during the past year to each of the following officers: President, none; vice president, none; secretary, $1,050.00; treasurer, none; adjuster, $200.00.

What, if any, commission was paid each of said officers in addition to such salary? None.

Does the association provide in its by-laws and specify in the policies the maximum liability of its members to it? Yes, 4 per cent the first year and 3 per cent thereafter.

Does the association collect advance assessments? Yes. If, so, are the same authorized in the articles of incorporation and by-laws? Yes.

What amount of the association's risks are written for one year? $3,250.00.

What amount of the association's risks are written for five years? $1,276,466.

Give amount of risks in force on which this year's assessment was made. $524,913.50.

What is the amount of one annual assessment, at the basis rate, on all risks in force December 31, current year? $20,746.32.

What is the amount of one annual assessment, at the basis rate, on all reinsurance in force December 31, current year? No reinsurance.

Has any change been made during the year of this statement in the articles of incorporation, or by-laws of the association? No.

Has the policy now used by the association been approved by the commissioner of insurance? Yes.

Are the articles of incorporation and by-laws printed in full on the policy? Yes.

What kinds of property does the association insure? Growing crops.

What kind of risks does the association cover (fire, hail, etc.)? Hail.

How many assessments did the association make last year? One.

What was the rate levied for each assessment? One per cent assessment levied on October 1st, which was in addition to the .9 per cent or 1 per cent collected when application was written.

In what states is the association authorized to transact business? Iowa only.

What officials and heads of departments of the association supervised the making of this report? Secretary-treasurer.
