Nice to tweet you!

The Iowa Alcoholic Beverages Division is on your favorite social networking sites. Be the first to know what's happening at the Division plus get daily links to alcohol and tobacco related news stories. Sign up to follow the Division on Twitter at twitter.com/iowaabd or be Iowa ABD's friend on Facebook at facebook.com/iowaabd.

Downloadable price list

The Iowa Liquor Monthly Pricebook is available for download on the Division's website as a PDF at IowaABD.com/alcohol/licensees/pricing. CSV (comma separated values) and DBV (database format) versions can be downloaded at IowaABD.com/files/client_files/431/1344/classepb.csv and IowaABD.com/files/client_files/431/1345/classepb.dbf. Updated files are posted on the first business day of the month and can be used to download the pricing information into your inventory system.

Deliveries

Deliveries by the Division are made inside the front or back door of a Class-E licensed establishment. ABD drivers cannot move product through a store for liability reasons. In addition, the Division's transport drivers operate on a very tight time schedule that necessitates standard operating procedures.

Faxed orders

When placing liquor orders by fax, please be sure to put the total number of full cases and the total number of split bottles on the bottom of each page. This practice will help the Division's staff ensure your orders are entered accurately and that you receive the correct inventory.
