High Proof Beer

The signing of SF2088 (recent legislation enacted to reorganize state government) created a new category of alcohol in the state of Iowa. “High alcoholic content beer” is beer which contains more than five percent but not more than twelve percent alcohol by weight (up to 30 proof). The bill also created two new beer permits. A class “AA” permit allows the holder to manufacture and sell high alcoholic content beer at wholesale. The holder of a special class “AA” permit may only manufacture high alcoholic content beer to be consumed on the licensed premises. The Division no longer wholesales high proof beer, nor can class “E” licensees wholesale these products to bars and restaurants going forward. Licensees should purchase these products from their licensed beer wholesalers. The changes took effect immediately upon Governor Culver signing the bill on March 10, 2010.

Direct Shipment of Wine

As of July 1, 2010, out-of-state wineries will be able to ship wine directly to Iowa consumers for personal use. Wineries will be subject to obtaining an Iowa license and remitting wine gallonage taxes to the state. Native wineries, under the new legislation, will continue to be exempt from taxation for sales at their wine tasting rooms.

Memorial Day Order & Delivery Schedule

The Division will be closed on Monday, May 31, 2010 for the Memorial Day holiday. **Deliveries for all licensees will be made one day later than normal.** Please refer to the day of the week you place your order to see how your order schedule will be impacted.

MONDAY: Orders must be received by Tuesday, June 1st.

TUESDAY: Orders must be received by Wednesday, June 2nd.

WEDNESDAY: Orders must be received by Thursday, June 3rd.

THURSDAY: Orders must be received by Friday, June 4th.

Future holiday schedules will be posted on the Division’s website.
