## Action Briefs

Commonly Asked Lottery Questions . . .

What do the terms “3-way” and “6-way” mean when playing and winning the Pick 3 game?

The terms 3-way and 6-way refer to how many ways a set of numbers can win on the box play.

- If two of the numbers on a ticket are identical, it becomes a 3-way play. This means there are three different ways a player can win on a box play. For example, if the winning numbers were 211, a player could win with 112, 121 or 211.
- If all three numbers on a ticket are different, it becomes a 6-way play. This means there are six different ways a player can win on a box play. If the winning numbers were 123, a player could win with: 123, 132, 231, 213, 321 or 312.

## Cedar Rapids Pick 4 Winner Lucky Twice for \$24,000

Wiley Tuley of Cedar Rapids

A Cedar Rapids man has won two prizes totaling \$24,000, all in the same drawing of the Iowa Lottery's Pick 4 game.

Wiley Tuley was unaware of his win until he checked the newspaper one morning shortly after the drawing.

"I was kind of stunned, actually. I thought I might have it, but when you actually see it, you don't believe it," he said.

Tuley usually plays two sets of numbers. For this particular evening's Pick 4 drawing, he had played the same numbers twice, doubling his \$12,000 prize to win a total of \$24,000.

The winning numbers Tuley chose represented his work I.D. number from the company where he was employed for 19 years. Tuley is now a retired electronics technician.

Tuley told his granddaughter the news first, and she was also stunned.

"I think all she said was, 'Wow!'" Tuley said.

Tuley kept the ticket locked away until claiming his prize at the Iowa Lottery's regional office in Cedar Rapids.

"I always figured if I'm going to win, I might as well win big, so that's what I did," Tuley said.

Tuley plans to pay bills with some of his money, and keep the rest in savings.

He won both prizes in the July 11 evening drawing of Iowa's Pick 4 game. The winning numbers that night were: 8-4-3-7. Tuley bought each of the winning tickets in different places on his way to the city garden. He bought his first winning ticket at Guppy's on the Go, 1532 Ellis Blvd. N.W. in Cedar Rapids, and then stopped at Casey's, 701 Ellis Blvd. N.W. in Cedar Rapids, for the second. 🍀

## Two Promotion Entry Deadlines Approaching

Deadlines for entry are near for the Win Big Or Go Home! and the Powerball Patrol Car second-chance drawings.

Entries must be received by August 17 for a chance to win a baseball getaway to Chicago in the Win Big Or Go Home! second-chance drawing. Players need to mail three or more nonwinning Win Big or Go Home! (Game #642) scratch tickets to the lottery by that date. The lottery will hold a preliminary drawing on August 19 to pick nine semifinalists who have a chance at the big prize. One lucky Iowa Lottery "MVP" will win a chance to see a professional baseball game in Chicago on September 12. The grand-prize winner will be drawn at an Iowa Cubs baseball game on August 30.

Players must enter nonwinning \$10 Powerball/Power Play tickets at ialottery.com by August 24 for a second-chance drawing to win the red Powerball Patrol Car. To be eligible for entry, nonwinning tickets must have been purchased between June 28 and Aug. 22, 2009. The tickets must be \$5 Powerball tickets with the \$5 Power Play addition.

Players must keep all nonwinning Powerball with Power Play tickets they enter. The drawing for the Powerball Patrol Car will be August 26. 🍀
