On SHEET C.1, Estimate Reference Information:

ADD to Item 2, 2519-4200040 Remove & Reinstall Fence item:

Location of fence to be removed and reinstalled to be specified by the engineer. Although locations may be located throughout the project limits on both sides of the pavement, most will be located on the east side within the first mile (MP 50-51) and an area 3 miles to the north. The intent is to address areas where the trees needing cleared are located in the existing fence.
