NEWS RELEASE

FOR RELEASE

March 23, 2012

Contact: Andy Nielsen
515/281-5834

Auditor of State David A. Vaudt today released an audit report on the Appanoose County Service Agency in Centerville, Iowa.

The Service Agency had total receipts of \$107,280 for the year ended June 30, 2011. The receipts included \$49,942 from Appanoose County, \$49,942 from the City of Centerville, \$72 from interest on investments and miscellaneous receipts of \$7,324.

Disbursements totaled \$111,917 for the year ended June 30, 2011, and included \$52,620 for equipment, repair and maintenance, \$31,884 for utilities, \$11,390 for services and \$10,580 for supplies.

A copy of the audit report is available for review in the Appanoose County Auditor's Office, in the Office of Auditor of State and on the Auditor of State's web site at <http://auditor.iowa.gov/reports/1114-0004-B00F.pdf>.

Independent Auditor's Report

To the Members of the
Appanoose County Service Agency:

We have audited the accompanying financial statement of the Appanoose County Service Agency as of and for the year ended June 30, 2011. This financial statement is the responsibility of the Agency's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

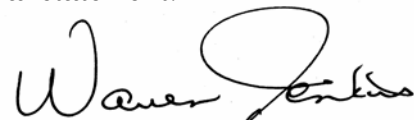

As described in Note 1, this financial statement is prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash basis financial position of the Appanoose County Service Agency at June 30, 2011, and the changes in its cash basis financial position for the year then ended in conformity with the basis of accounting described in Note 1.

In accordance with Government Auditing Standards, we have also issued our report dated March 6, 2012 on our consideration of the Appanoose County Service Agency's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

The Appanoose County Service Agency has not presented Management's Discussion and Analysis that the Governmental Accounting Standards Board has determined is necessary to supplement, although not required to be part of, the financial statement.

DAVID A. VAUDT, CPA
Auditor of State

Appanoose County Service Agency

Notes to Financial Statement

June 30, 2011

(1) Summary of Significant Accounting Policies

The Appanoose County Service Agency is a voluntary joint undertaking of Appanoose County and the City of Centerville, Iowa as authorized by Chapter 28E of the Code of Iowa. The purpose of this Agency is to coordinate the public safety and law enforcement activities in Appanoose County and provide centralized law enforcement facilities and equipment for the use of Appanoose County and the City of Centerville.

The governing body of the Agency is comprised of two representatives from Appanoose County, two representatives from the City of Centerville and one at-large member. Each member has one vote.

A. Reporting Entity

For financial reporting purposes, the Agency has included all funds, organizations, agencies, boards, commissions and authorities. The Agency has also considered all potential component units for which it is financially accountable and other organizations for which the nature and significance of their relationship with the Service Agency are such that exclusion would cause the Agency's financial statement to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the Service Agency to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the Agency. The Agency has no component units which meet the Governmental Accounting Standards Board criteria.

B. Basis of Presentation

The accounts of the Agency are organized as an Enterprise Fund. Enterprise Funds are utilized to finance and account for the acquisition, operation and maintenance of governmental facilities and services supported by user charges.

Enterprise Funds distinguish operating receipts and disbursements from non-operating items. Operating receipts and disbursements generally result from providing services and producing and delivering goods in connection with an Enterprise Fund's principal ongoing operations. All receipts and disbursements not meeting this definition are reported as non-operating receipts and disbursements.

C. Basis of Accounting

The Agency maintains its financial records on the basis of cash receipts and disbursements and the financial statement of the Agency is prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statement does not present the financial position and results of operations of the Agency in accordance with U.S. generally accepted accounting principles.

(2) Cash and Investments

The Agency's deposits in banks at June 30, 2011 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The Agency is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Agency; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The Agency had no investments meeting the disclosure requirements of Governmental Accounting Standards Board Statement No. 3, as amended by Statement No. 40.

(3) Risk Management

The Agency is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. The Agency assumes liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

Independent Auditor's Report on Internal Control
over Financial Reporting and on Compliance and Other Matters
Based on an Audit of a Financial Statement Performed in Accordance with
Government Auditing Standards

To the Members of the Appanoose County
Service Agency:

We have audited the accompanying financial statement of the Appanoose County Service Agency as of and for the year ended June 30, 2011, and have issued our report thereon dated March 6, 2012. Our report expressed an unqualified opinion on the financial statement which was prepared in conformity with an other comprehensive basis of accounting. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the Appanoose County Service Agency is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Appanoose County Service Agency's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Appanoose County Service Agency's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Appanoose County Service Agency's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance all deficiencies, significant deficiencies or material weaknesses have been identified. However, as described in the accompanying Schedule of Findings, we identified a deficiency in internal control over financial reporting we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of the control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of the Appanoose County Service Agency's financial statement will not be prevented or detected and corrected on a timely basis. We consider the deficiency described in the accompanying Schedule of Findings as item (A) to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Appanoose County Service Agency's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters which are required to be reported under Government Auditing Standards.

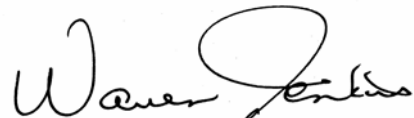

Comments involving statutory and other legal matters about the Agency's operations for the year ended June 30, 2011 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statement of the Agency. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

The Appanoose County Service Agency's written response to the finding identified in our audit is described in the accompanying Schedule of Findings. While we have expressed our conclusion on the Agency's response, we did not audit the Appanoose County Service Agency's response and, accordingly, we express no opinion on it.

This report, a public record by law, is intended solely for the information and use of the members and customers of the Appanoose County Service Agency and other parties to whom the Agency may report and is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Appanoose County Service Agency during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

DAVID A. VAUDT, CPA
Auditor of State

WARREN G. JENKINS, CPA
Chief Deputy Auditor of State

March 6, 2012

Appanoose County Service Agency

Schedule of Findings

Year ended June 30, 2011

Findings Related to the Financial Statement:

INTERNAL CONTROL DEFICIENCIES:

- (A) Segregation of Duties – During our review of internal control, the existing procedures are evaluated in order to determine incompatible duties, from a control standpoint, are not performed by the same employee. This segregation of duties helps to prevent losses from employee error or dishonesty and, therefore, maximizes the accuracy of the County’s financial statements. Generally, one individual may have control over the following areas for which no compensating controls exist:
- (1) Bank accounts are not reconciled at the end of each month by an individual who does not sign checks, handle or record cash.
 - (2) Checks are not signed by an individual who does not otherwise participate in the preparation of the checks.
 - (3) Collection, deposit preparation and reconciliation functions are not segregated from the recording and accounting for cash receipts.

Recommendation – We realize segregation of duties is difficult with a limited number of office employees. However, the Agency should review the operating procedures to obtain the maximum internal control possible under the circumstances. The Agency should utilize current personnel or designate a member of the Board to provide additional control through review of financial transactions, reconciliations and reports. Such reviews should be performed by independent persons to the extent possible and should be evidenced by initials or signature of the reviewer and the date of the review.

Responses - We will work on this.

Conclusion - Response accepted.

INSTANCE OF NON-COMPLIANCE:

No matters were noted.

Appanoose County Service Agency

Schedule of Findings

Year ended June 30, 2011

Other Findings Related to Required Statutory Reporting:

- (1) Questionable Disbursements – No disbursements we believe may not meet the requirements of public purpose as defined in an Attorney General's opinion dated April 25, 1979 were noted.
- (2) Travel Expense – No disbursements of Agency money for travel expenses of spouses of Agency officials or employees were noted.
- (3) Agency Minutes – No transactions were found that we believe should have been approved in the Agency minutes but were not.
- (4) Deposits and Investments – No instances of non-compliance with the deposit and investment provisions of Chapters 12B and 12C of the Code of Iowa and the Agency's investment policy were noted.
