Utilities:

This project comes under the provisions of IAC 761-Chapter 115.25 Iowa Code.

Some of the utility work described below is dependent on prior work being performed by the Contractor at a specific site. In such situations the Contractor shall provide the Engineer and the affected utility a good faith notice of when the utility is to start work at the site. The notice shall be given 14 calendar days in advance of when the Contractor expects to complete the prior work and the site will be available to the utility. The Contractor shall follow up with a confirmation notice to the Engineer and the utility not less than 3 working days before the site will be ready for the utility to begin its' work.

Additional detailed information regarding the location of relocated utility facilities is available on the permits issued to the utility companies. These

permits can be viewed at the District office during normal working hours. Contact the **District Utility Coordinator at 712-323-6125.**

Facilities- Not Affected:
