# Friday Facts

Week ending Issue: June 8, 2012 – Issue # 143

## Policy

### From the WIC Program Goals Manual - 215.06 Partially Breastfeeding

**Partially breastfeeding** The table describes why breastfeeding women whose infants receive WIC formula should be certified as pregnant women when they report their pregnancy.

IF the infant's breastfeeding status is ...	AND the infant is ...	THEN certify mother so that ...
≤ ½ WIC formula package	< 12 months old	Her new participant status is documented.*
> ½ WIC formula package	≤ 6 months old	She can receive a larger food package.
> ½ WIC formula package	> 6 months old	She can receive FIs for herself.

## Information

### Save the Date

Friday, September 28, 2012 - Promoting Healthy Weight Colloquium: Building a Foundation during the Developmental Stages of Adolescence and Pregnancy for a Healthy Life Course Trajectory. Registration will open August 17, 2012. (See notice at end of Friday Facts.) For more information go to: <http://nutrition.utk.edu/seminars/HealthyWeightColloquium.html>.

### One Year Child Certification Conference Calls

Please remember that there are two conference calls scheduled to discuss the one year child certification change that will become effective July 1, 2012. Both conference calls will cover the same information and staff will only need to attend one. The calls are scheduled for the following dates and times:

Monday, June 18th: 12:00 pm – 12:30 pm

Thursday, June 21st: 8 am – 8:30 am

Call-in information and materials required for the calls will be provided next week.

Join us for the *Promoting Healthy Weight* colloquium, which is **FREE** for both online and onsite participants! This is the eighth in a series of biannual colloquia, with the last colloquium being offered on Friday, March 15, 2013. This fall's colloquium will focus on the last Bright Futures developmental stages of adolescence and pregnancy and will begin to transition to understanding parenting, nutrition and physical activity from a Life Course framework. Colloquium presentations are intended for practitioners, family members, and researchers. Registered Dietitians, Certified Health Education Specialists, and Social Work Instructors at the University of Tennessee can receive continuing education credits. **Registration will open on August 17, 2012.** For more information go to: <http://nutrition.utk.edu/seminars/HealthyWeightColloquium.html>.

*This colloquium is partially supported through grant number T79MC09805, from the Health Resources and Services Administration's Maternal and Child Health Bureau, U.S. Department of Health and Human Services.*

Offered as Webcast or Onsite:  
The University of Tennessee  
Howard Baker Center  
1640 Cumberland Avenue  
Knoxville, TN 37996-3340
