## 'All The Marbles' Lucky For Rockwell Woman

Deb Marquard of Rockwell

A Rockwell woman is pretty happy she stopped to pick up a Powerball ticket—because the scratch ticket she bought as an afterthought was a big winner.

Deb Marquard, 41, of Rockwell won \$100,000 playing the “All the Marbles” scratch game. Marquard purchased her ticket at Murphy USA, 4059 Fourth St. S.W. in Mason City. She scratched it while sitting in her car after buying it.

“I scratched it and I didn’t believe it. I ran back in the store to make sure,” she recalled. “I said, ‘Okay, I’ve got 15 up here and a 15 down here. That means I won, right?’”

We are redoing our barn into a house, and this will go to furnish the house,” she said. Marquard and her husband, Kenny, have been working on renovating the barn for two years.

“I went home and told my husband. He didn’t believe me,” she said. “He thought I was trying to fool him.”

## Always Ask Customer if Card is Credit or Debit

It is acceptable for a player to use a debit card to purchase lottery products, but it is illegal for them to use a credit card to do so.

As you sell lottery tickets, remember that there’s a big difference between a debit card and a credit card—even though they may look the same. Many banks offer their customers debit cards that can be used to withdraw money from their checking or savings account. Plus, some cards are combination credit **and** debit cards.

If a lottery player hands you a card, it’s important to ask them which type of card they have before you make the transaction. Avoid inconveniencing your customer by checking with them carefully before accepting any card for purchases.

# Meet Two More Lucky Chevy Truck Winners

## Retired Jefferson School Bus Driver Wins Truck

Juanita Wright of Jefferson

A Jefferson woman who is also a retired school-bus driver has driven home a pretty sweet new ride.

Juanita Wright, 83, of Jefferson, won a 2004 Chevrolet S-10 truck playing the “Trucks & Bucks” scratch game. The prize package is valued at \$28,000, including required federal and state withholding taxes. Wright claimed the fourth of 12 trucks available as top prizes in the game.

Wright claimed her prize at Iowa Lottery headquarters in Des Moines. She purchased her ticket at Fareway, 1207 N. Elm St. in Jefferson.

“I scratched it off as soon as I got home. I looked at it and thought, ‘Gee, this looks really good.’ I said, ‘Don, I want you to check this ticket and see if you see the same as I’m seeing.’ So he checked it and I said, ‘Are you going back to the store?’ and he said ‘Yes.’ I said, ‘Give me a couple of minutes, I’ll go with you,’” she laughed.

Wright and her husband, Donald, recently celebrated their 55<sup>th</sup> wedding anniversary – on Valentine’s Day. She described winning as sort of an out-of-body experience.

“You just get about 10 feet off the ground, and shake a little the rest of the day. You’re very excited!” she said.

She did have a color picked out for her new truck.

“I like white,” she laughed, looking at Don. “I don’t know if it’s going to agree with him.” 🐾

## Big Prize Makes Birthday Happier for West Branch Woman

## New Truck Comes Just in Time For Glenwood Man

A western Iowa man in need of a new vehicle hit it big last week.

Roger Schepker, 57, of Glenwood, won a 2004 Chevrolet S-10 truck playing the “Trucks & Bucks” scratch game. The prize package is valued at \$28,000, including required federal and state withholding taxes. Schepker claimed the fifth of 12 trucks available as top prizes in the game.

Schepker claimed his prize at Iowa Lottery headquarters in Des Moines. He purchased his ticket at Kum & Go, 1 N. Locust in Glenwood.

“I didn’t sleep hardly at all last night,” he said. “I’ve got a pulled muscle in my shoulder and I’m taking medication. That’s probably the only reason I got any sleep at all – it knocked me out enough.”

Schepker said he had been driving a beat-up old pickup truck that has definitely seen better days. The truck’s odometer has been turned over at least twice. He explained it had belonged to his son, who began driving a company van and no longer needed the vehicle. The truck was then stolen. When the police recovered the vehicle, it had been spray-painted black and the steering column had been wrecked. Schepker said he worked to make the truck drivable.

“I’ve been needing a truck for a long time,” he conceded. 🐾

Roger Schepker of Glenwood

Schepker’s old truck was spray-painted black after it was stolen and nearly disabled.

threw my keys in my purse, saw that ticket lying in there, took it out, started scratching it and I won \$50,000! I told my husband, ‘I won \$50,000.’ He said, ‘You’re lying!’ I said, ‘No, I’m not!’ and I’ve been up ever since!” she laughed.

Jana Ringle of West Branch

Ringle says her husband, Ed, now believes her, and they are planning the different ways they will spend they money.

“He’s so excited. We’re going to pay some bills off, we’re going on a vacation, and we’re going to put new carpet in our house!” she exclaimed.

Odds are, they’ll have a great vacation.

“We’re going to Las Vegas!” she said. 🐾
