

**Osage-Mitchell County
RISE Projects**

Dedication

**Iowa Department
of Transportation**

The "Revitalize Iowa's Sound Economy" (RISE) program was created by the 1985 Iowa Legislature to help pay for the construction and improvement of Iowa roads. But RISE is a road program with a difference. The RISE program is designed to foster economic development, and ultimately, create jobs. Funded by a percentage of the tax on motor fuel, the RISE fund will provide about \$28 million each year for road improvements. Counties and cities working to attract new development will find the RISE program one more tool to "sweeten the pot" with state assistance.
