## New Will-Call, Pick-Up Procedure

The Iowa ABD regularly reviews internal procedures to ensure we provide the best service to our customers while maintaining the security of our facility. As a result, the following procedure for Will-Call orders will be effective April 1, 2013.

- When placing a Will-Call order by phone, order entry staff will provide the customer a CO number.
- If the Will-Call order is faxed, order entry staff will call the customer with the CO number.
- Upon arrival at the ABD warehouse to pick up the order, the customer's employee will be required to give the CO number and the customer account number at the gate before entering the warehouse yard.
- If a customer's employee arrives at the warehouse to pick up a Will-Call order without the CO number and/or the customer account number, the employee will be required to contact the store to obtain the information prior to entering the warehouse yard.

Your cooperation with this procedure when utilizing ABD's Will-Call service is appreciated.
