INTRODUCTION

The Iowa Department of Veterans Affairs (IDVA) is governed by a nine member commission that is appointed by the Governor. The agency is located at Camp Dodge and is the main state agency that provides information to veterans and their dependents regarding (1) medical resources and referrals and (2) other entitlement benefits from the federal Department of Veterans Affairs (DVA) compensation and pension. IDVA responds to veterans' questions about who is entitled to DVA benefits, how to apply, what information is needed for application, etc. By veterans taking advantage of the entitlements for healthcare services at the Des Moines, Iowa City, Knoxville, Omaha, and Sioux City DVA hospitals, as well as other Community Based Outpatient Clinics (CBOCs) around the state, the State of Iowa's costs decrease. In addition, some veterans are entitled to receive their medications from the DVA for free or with a small co-pay. IDVA keeps a database of veterans and their spouses/widows in nursing homes around the state to determine if they have applied for compensation and pension benefits. The agency also provides education on veterans services and benefits to the 99 county commissions of veterans affairs.

The following services are also provided by IDVA:

- ❑ Maintain information and data concerning military service records of Iowa veterans.
- ❑ Maintain a permanent graves registry of veterans buried in Iowa.
- ❑ Conduct 2 service schools each year for the Iowa Association of County Commissioners and Executive Directors in order to provide training/updated information on veterans' benefits.
- ❑ Approve applications for veterans' license plates.
- ❑ Oversee the Merchant Marine Bonus fund.
- ❑ Represent the State of Iowa regarding veterans' issues nationally, regionally, and locally.
- ❑ Partner with the DVA, federally chartered veterans service organizations, and county Commissioners of Veterans Affairs to bring forth veterans issues and a plan of action for resolution.
- ❑ Provide grants to severely injured veterans serving since 9/11/01.
- ❑ Provide grants to veterans during hardships using Veterans Trust fund monies.
- ❑ Oversee the construction of and operate the State Veterans Cemetery.
- ❑ Administer the Veterans Counties Grants program.
