#### New Play Slips Won't Work Until Oct. 19, Old Won't Work Afterward

Scientific Games has begun delivering new play slips that have a sticker alerting retailers not to use them until Oct. 19. The new play slips look different than the old ones and will not work until the game change is complete. They were revised because there will be different numbers from which to choose as of Oct. 19. Clerks will receive an error message when not using the correct play slip either before or after the changes take place. Please direct any questions to your lottery sales rep.
