It's a Winter of Winners: Holiday Scratch Games, Promotion Debut in Early October

It's almost time for the kickoff of the Iowa Lottery's holiday scratch games and promotion with more chances to win for players...it's going to be a Winter of Winners!

Beginning Oct. 3, Lottery players who buy this year's holiday scratch tickets and don't win instantly can enter those tickets in a holiday promotion called "Winter of Winners" for a chance to win exciting prizes in three separate drawings. In the first drawing on Nov. 14, 100 players each will win \$250 Bass Pro Shops® gift cards; in the second drawing on Dec. 14, 40 high-tech Sony® electronics packages are up for grabs; and in the third drawing on Jan. 14, 10 lucky players each will win a fabulous trip package to THE PALMS™ in Las Vegas.

To enter, players should go to ialottery.com to input the numbers from their nonwinning holiday scratch tickets into their VIP Club account. Players will receive entries in the drawings according to the values of the tickets they enter. For example, a \$2 ticket receives 2 entries and a \$10 ticket receives 10 entries. Players must be members of the lottery's VIP Club to enter.

Eight holiday games debut Oct. 3 and two more will follow on Oct. 31.

You'll find all the details about the promotion, rules and instructions on how to enter at ialottery.com.

Answers to Common Lottery Questions

Q. When players miss the Powerball drawing on TV, how can they check their numbers?

A. Players can get winning numbers in several ways. They can log on to the Iowa Lottery website at www.ialottery.com. Members of the lottery's VIP Club can choose to receive emails with the winning numbers and drawing results. Players can also call the winning numbers' hot line or check with their local lottery retailer. Also, most newspapers carry results. If players would like to see video of the actual drawing, they can log on to the Powerball website at www.powerball.com.

Q. Why don't some television stations air the results from lottery drawings?

A. The lottery asks television stations to carry lottery results. However, carrying results ultimately is a decision made by each station.
