? An Iowa Lottery Player Will Become a Millionaire at the Fair This Summer!

Following the mantra that “everyone deserves a second chance,” the Iowa Lottery is planning a summer promotion to give away prize money from two big jackpots that expired without being claimed late last year.

“It’s always disheartening when a big prize like that goes unclaimed, because we love to meet Iowa’s big winners and hear their stories,” Lottery CEO Terry Rich said. “So, we’re going to see if we can have better luck the second time around.”

The Mystery Millionaire promotion, set to begin on July 1, will offer players a chance at a \$1 million prize, plus other cash prizes of as much as \$100,000. Players who purchase a combination of Powerball and Hot Lotto tickets will receive an entry ticket with a code number they can enter online at ialottery.com for their chance at a prize. There’s a chance for retailers to win special prizes too!

‘Easy’ For Retailers

Retailers will be able to press one button marked “Mystery Millionaire” on the Wave terminal (shown at left) and it will print the Powerball and Hot Lotto tickets required for the promotion and the extra ticket with the code number that the player will enter online.

Where Is The Prize Money Coming From?

Part of the unclaimed prize money comes from a Hot Lotto® jackpot won with a ticket purchased in Des Moines that ultimately went unclaimed after an initial claim was withdrawn on Jan. 26. The rest of the money comes from a \$77 million Powerball® jackpot won in Georgia which also expired without being claimed.

With Hot Lotto and Powerball both being multi-state games, the money from these unclaimed jackpots went back to the individual lotteries that sell the games in proportion to the percentage of sales that came from each state. Iowa’s share of the unclaimed jackpot money from both games is about \$2 million, which will be awarded to Iowa players in August, ending with a live finale event at the Iowa State Fair. And remember, one lucky Iowa Lottery player will win a MILLION DOLLARS!

Look for more details on the promotion in a Lottery Action Special Edition coming soon. 🎟️

Lottery Ending 24 Scratch Games

As part of its standard procedures, the Iowa Lottery is officially ending 24 instant-scratch games and has established the deadlines by which players must claim prizes in them. The lottery has announced the end date for the following 24 scratch games. Players have until the close of business on Aug. 22, 2012 to claim prizes in these games.

Play by peeling apart the five tabs located on the back of the ticket. Three symbols are printed under each tab. Check all five tab areas. If three consecutive symbols printed vertically or diagonally under any of the tabs match identically any of the winning combinations shown on the ticket front, the player wins the corresponding prize. The arrow connecting the symbols indicates a winner.

- Proceeds from the **Forever Free** game benefit the Iowa Veterans Trust Fund.
- Top prizes in the **Vegas** game must be claimed at a lottery office. 🍀
