Remind Players They Can Still Enter Warehouse Dash®

The first drawing has been held in the Warehouse Dash® promotion, but players should still be entering tickets for the second drawing on May 23. The deadline to enter that drawing is noon on May 21.

Players who have dreamed about having a chance to run up and down the aisles at a huge warehouse, filling their cart with top name-brand merchandise

now have their chance with this promotion.

Players can get started by purchasing a \$10 “Did I Win?” scratch ticket. If they don’t score with a cash prize instantly, they can get out there and Play It Again™ with their player’s club account. They’ll receive Points For Prizes™ and an entry in the Warehouse Dash® promotion for each ticket they enter. Players who are not yet members of the Lottery’s player’s club - known as the VIP Club - will need to join before they enter. It’s free, easy and just takes a few minutes.

The Prizes and Drawings

Ready, Set, Go! Each Dash Team (lucky winner and a guest) will go to Chicago for a weekend “race”! They’ll get 90 seconds to dash around a warehouse full of merchandise and grab all the prizes they can. Teams will have a chance to load up on major brands of video and audio electronics, computers, kitchenware, sporting goods, jewelry and much more. Each Dash Team will have two large carts to fill with prizes; one person will pick the prizes and the other will push the cart.

The first drawing for three winners was held April 12 and the three winners will attend a May 12 Dash event, but another drawing is scheduled for May 23 to pick three more winners and their Dash event will be on June 23.

Besides getting the chance to participate in the Dash to win up to \$13,000 in prizes, winners receive a two-night stay for two at the Downtown Chicago Marriott® Magnificent Mile, a welcome dinner on Friday evening and transportation to and from the warehouse on Saturday with a short city tour. They also each receive \$1,500 travel and spending cash, with applicable state and federal taxes paid by the Lottery, and a commemorative video of the Dash event. The Dash Prize package value is estimated at \$20,000. Visit ialottery.com for complete rules and details.

Remind players not to miss their chance to enter to win a dash! 🏃

Facts About Mega Millions Jackpot Run

The recent Mega Millions jackpot run that began on Jan. 24 and ended March 30 set records and caused a lot of excitement in Iowa and all over the country. By the time final sales numbers were in, the jackpot was worth \$656 million in an annuity and \$473.6 million in cash.

Three tickets nationwide matched all six numbers drawn to win a share of the jackpot. They were purchased in Illinois, Kansas and Maryland. Here’s a look at some of the big numbers associated with the run:

- A total of 108,143 Mega Millions tickets purchased by Iowa Lottery players won prizes ranging from \$2 up to \$10,000. The two tickets that each won a \$10,000 prize matched four of the first five numbers drawn and the Mega Ball. They were both purchased in southwest Iowa, at Taylor Quik Pic, 11 East St. in Shelby; and Bucky’s Express, 15 N. 16th St. in Council Bluffs.
- Iowa Lottery players bought nearly \$4.8 million in Mega Millions tickets for the March 30 drawing, including nearly \$3.2 million in tickets on drawing day alone. During that day’s busiest stretch from about 4-5 p.m., Mega Millions tickets were selling at about \$6,000 per minute in Iowa. However, the average Mega Millions purchase on that Friday in Iowa remained just \$4. Lottery officials were pleased that Iowans enjoyed playing at a fun level.
- Strong sales in Iowa and across the country had pushed the world-record jackpot higher and higher as the week went on. The estimated jackpot amount on March 30 was \$640 million annuity (\$462 million cash). That is the largest jackpot ever in any lotto game. The annuity amount was later adjusted to \$656 million.

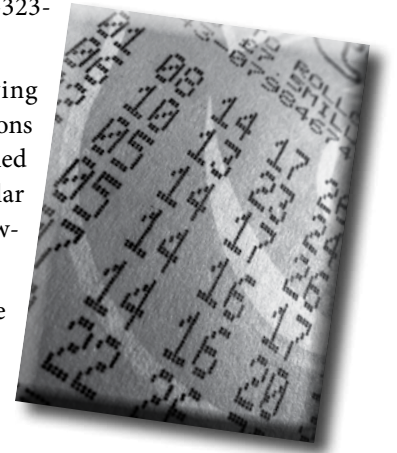

Never Be At a Loss For Drawing Results - Check This List!

Most lottery drawings are no longer televised, but don't worry, there are lots of other ways to find the drawing results! Here's a list of ways to find them quickly and easily.

Lucky Streak: Two \$100,000 Cash Game Players Win Top Prizes Within Days of Each Other

Players in Iowa's \$100,000 Cash Game had a streak of luck winning top prizes recently.

A Mediapolis man and a Council Bluffs woman each won a \$100,000 prize playing Iowa's \$100,000 Cash Game within a three-day span of each other.

Mediapolis Man in Shock After Win

Scott Springsteen of Mediapolis, 42, said he couldn't believe his eyes when he discovered he'd won.

He said he felt lucky to have his girlfriend, Robin Knouda, by his side when he checked his numbers.

"We were both kind of in shock,"

Springsteen said.

Springsteen purchased his ticket for the March 23 Cash Game drawing. He said he had a hard time sleeping over the weekend before claiming his prize at the Iowa Lottery's regional office in Cedar Rapids.

"I try to play regularly but there's times I forget to buy them," Springsteen said. "But I remembered when it counted!"

Springsteen purchased his winning ticket at Garner One Stop, 2506 280th St. in Montrose.

"Actually it was our first time going to that store," Springsteen said. "Earlier that week a woman won a thousand dollars from that store."

Springsteen, who hauls grains for a food company in Oskaloosa, said he plans to use some of his winnings to purchase a newer vehicle and plans to save the rest.

Council Bluffs Woman Plays Birthdays

Jean Pierce of Council Bluffs said she never dreamed she'd win a \$100,000 prize playing her

long-time numbers in Iowa's \$100,000 Cash Game. She won in the March 26 drawing, three days after Springsteen.

Pierce, 73, said she and her friend, Glen Jordan, have been playing each other's birthday numbers for years, but never expected to see the numbers come up.

"We never thought they'd ever come in, but they did!" Pierce said.

Pierce and Jordan claimed the prize together at the Iowa Lottery's regional office in Council Bluffs. Pierce said she has had fun telling people about her win.

"I just can't keep my mouth shut," Pierce said with a laugh.

Pierce, who works at Darrah's in Council Bluffs, said she checked her numbers prior to starting her shift.

"I thought, 'Gee, those numbers look familiar!'" she said.

Pierce said she isn't sure how to use her winnings quite yet. She purchased the winning ticket at Darrah's, 3607 Ninth Ave. in Council Bluffs.

Players in Iowa's \$100,000 Cash Game choose five numbers from a pool of 35. Tickets in the game cost \$1 and drawings are held at 8:28 p.m. Monday through Saturday. The odds of winning the game's top prize are 1 in 324,632.

Springsteen and Pierce each matched all five numbers to win their \$100,000 prize.

Don't Trade Ticket Stock

It seems like an easy solution: you're out of ticket stock for your Wave lotto terminal and you think you can just borrow a roll from your sister store across town. However, the lottery cautions you not to do that!

Each roll of ticket stock for the Wave lotto terminal is assigned to a particular store by Scientific Games - it is individually numbered and tracked. If you use a roll of stock that doesn't match your terminal, it can cause problems.

Remember, please order more paper stock before you run out. You may order ticket stock through your lotto terminal's "Special Functions" tab by generating a supply request, or you may call Scientific Games at 1-800-858-4744.

"I thought, 'Gee, those numbers look familiar!'" - Jean Pierce
