NEWS RELEASEContact: Andy NielsenFOR RELEASEMarch 6, 2015515/281-5834

Auditor of State Mary Mosiman today released an audit report on the Appanoose County Service Agency in Centerville, Iowa.

The Service Agency had total receipts of \$111,523 for the year ended June 30, 2014, a 7% increase over the prior year. The receipts included \$55,267 from Appanoose County, \$55,267 from the City of Centerville and miscellaneous receipts of \$989.

Disbursements for the year ended June 30, 2014 totaled \$110,341, a 7% increase over the prior year, and included \$45,719 for equipment, repair and maintenance, \$36,329 for utilities, \$16,063 for services and \$6,523 for supplies.

A copy of the audit report is available for review in the Appanoose County Auditor's Office, in the Office of Auditor of State and on the Auditor of State's web site at http://auditor.iowa.gov/reports/1414-0004-B00F.pdf.

Independent Auditor's Report

To the Members of the Appanoose County Service Agency:

Report on the Financial Statement

We have audited the accompanying financial statement of the Appanoose County Service Agency as of and for the year ended June 30, 2014, and the related Notes to Financial Statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the cash basis of accounting described in Note 1. This includes determining the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Agency's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Mary Mosiman, CPA Auditor of State

<u>Opinion</u>

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash basis financial position of the Appanoose County Service Agency as of June 30, 2014, and the changes in its cash basis financial position for the year then ended in accordance with the basis of accounting described in Note 1.

Basis of Accounting

As described in Note 1, the financial statement was prepared on the basis of cash receipts and disbursements, which is a basis of accounting other than U.S. generally accepted accounting principles. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated February 11, 2015 on our consideration of the Appanoose County Service Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering the Appanoose County Service Agency's internal control over financial reporting and compliance.

Notes to Financial Statement

June 30, 2014

(1) Summary of Significant Accounting Policies

The Appanoose County Service Agency is a voluntary joint undertaking of Appanoose County and the City of Centerville, Iowa as authorized by Chapter 28E of the Code of Iowa. The purpose of the Agency is to coordinate the public safety and law enforcement activities in Appanoose County and provide centralized law enforcement facilities and equipment for the use of Appanoose County and the City of Centerville.

The governing body of the Agency is comprised of two representatives from Appanoose County, two representatives from the City of Centerville and one at-large member. Each member has one vote.

A. <u>Reporting Entity</u>

For financial reporting purposes, the Appanoose County Service Agency has included all funds, organizations, agencies, boards, commissions and authorities. The Agency has also considered all potential component units for which it is financially accountable and other organizations for which the nature and significance of their relationship with the Agency are such that exclusion would cause the Agency's financial statement to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the Agency to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the Agency. The Agency has no component units which meet the Governmental Accounting Standards Board criteria.

B. Basis of Presentation

The accounts of the Agency are organized as an Enterprise Fund. Enterprise Funds are utilized to finance and account for the acquisition, operation and maintenance of governmental facilities and services supported by user charges.

Enterprise Funds distinguish operating receipts and disbursements from nonoperating items. Operating receipts and disbursements generally result from providing services and producing and delivering goods in connection with an Enterprise Fund's principal ongoing operations. All receipts and disbursements not meeting this definition are reported as non-operating receipts and disbursements.

C. Basis of Accounting

The Agency maintains its financial records on the basis of cash receipts and disbursements and the financial statement of the Agency is prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statement does not present the financial position and results of operations of the Agency in accordance with U.S. generally accepted accounting principles.

(2) Cash and Investments

- The Agency's deposits in banks at June 30, 2014 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.
- The Agency is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Agency; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The Agency had no investments meeting the disclosure requirements of Governmental Accounting Standards Board Statement No. 3, as amended by Statement No. 40.

(3) Risk Management

The Agency is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. The Agency assumes liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

(4) Restatement

The beginning of year cash balance was increased to include the balance of a certificate of deposit previously excluded. The effect of this restatement is as follows:

Balance June 30, 2013, as previously reported	\$ 33,606
Certificate of deposit previously excluded	10,827
Balance July 1, 2013, as restated	\$ 44,433

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of a Financial Statement Performed in Accordance with Government Auditing Standards

To the Members of the

Appanoose County Service Agency:

We have audited in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States, the financial statement of the Appanoose County Service Agency as of and for the year ended June 30, 2014, and the related Notes to Financial Statement, and have issued our report thereon dated February 11, 2015. Our report expressed an unmodified opinion on the financial statement which was prepared on the basis of cash receipts and disbursements, a basis of accounting other than U.S. generally accepted accounting principles.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Appanoose County Service Agency's internal control over financial reporting to determine the audit procedures appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Appanoose County Service Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Appanoose County Service Agency's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying Schedule of Findings, we identified deficiencies in internal control we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of the Appanoose County Service Agency's financial statement will not be prevented or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying Schedule of Findings as items (A) and (B) to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Appanoose County Service Agency's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under <u>Government Auditing Standards</u>. However, we noted an instance of non-compliance or other matters which is described in the accompanying Schedule of Findings.

Comments involving statutory and other legal matters about the Agency's operations for the year ended June 30, 2014 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statement of the Agency. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

The Appanoose County Service Agency's Responses to the Findings

The Appanoose County Service Agency's responses to the findings identified in our audit are described in the accompanying Schedule of Findings. The Appanoose County Service Agency's responses were not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Appanoose County Service Agency during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

ARY MOSIMAN, CPA Auditor of State

February 11, 2015

WARREN G. DENKINS, CPA Chief Deputy Auditor of State

Schedule of Findings

Year ended June 30, 2014

Findings Related to the Financial Statement:

INTERNAL CONTROL DEFICIENCIES:

- (A) <u>Segregation of Duties</u> During our review of internal control, the existing procedures are evaluated in order to determine incompatible duties, from a control standpoint, are not performed by the same employee. This segregation of duties helps to prevent losses from employee error or dishonesty and, therefore, maximizes the accuracy of the Agency's financial statement. Generally, one individual may have control over the following areas for which no compensating controls exist:
 - (1) Bank accounts are not reconciled at the end of each month by an individual who does not sign checks, handle or record cash.
 - (2) Collection, deposit preparation and reconciliation functions are not segregated from recording and accounting for cash receipts.
 - <u>Recommendation</u> We realize segregation of duties is difficult with a limited number of office employees. However, the Agency should review its operating procedures to obtain the maximum internal control possible under the circumstances. The Agency should utilize current personnel or designate a member of the Board to provide additional control through review of financial transactions, reconciliations and reports. Such reviews should be performed by independent persons to the extent possible and should be documented by the signature or initials of the reviewer and the date of the review.

<u>Response</u> – We do as much segregation as possible with limited staff.

<u>Conclusion</u> – Response accepted.

(B) <u>Financial Reporting</u> – During the audit, we identified a \$10,827 certificate of deposit not reflected in the cash balance. Adjustments were subsequently made by the Agency to properly report this amount in the financial statements.

<u>Recommendation</u> – The Agency should develop procedures to ensure all investments, including certificates of deposit, are properly reflected in the accounting records.

<u>Response</u> – We will monitor that more closely.

Conclusion – Response accepted.

INSTANCE OF NON-COMPLIANCE:

No matters were noted.

Schedule of Findings

Year ended June 30, 2014

Other Findings Related to Required Statutory Reporting:

- (1) <u>Questionable Disbursements</u> No disbursements we believe may not meet the requirements of public purpose as defined in an Attorney General's opinion dated April 25, 1979 were noted.
- (2) <u>Travel Expense</u> No disbursements of Agency money for travel expenses of spouses of Agency officials or employees were noted.
- (3) <u>Agency Minutes</u> No transactions were found that we believe should have been approved in the Agency minutes but were not.
 - Although Agency proceedings were published, the publications did not include a schedule of bills allowed or a list of all salaries paid for services performed as required by Chapter 28E.6 of the Code of Iowa. Also, the summary of proceedings for one meeting was published more than 20 days after the meeting.
 - <u>Recommendation</u> The Agency should ensure all minutes publications include the schedule of bills allowed and a list of all salaries paid for services performed on an annual basis. In addition, the summary of the proceedings should be submitted for publication within twenty days following adjournment of the meeting.

<u>Response</u> – We will work on maintaining proper publication requirements.

<u>Conclusion</u> – Response accepted.

(4) <u>Deposits and Investments</u> – No instances of non-compliance with the deposit and investment provisions of Chapters 12B and 12C of the Code of Iowa and the Agency's investment policy were noted.
