Independent Auditor's Report

To the Members of the Iowa County  
Treasurers Egovernment Alliance:

Report on the Financial Statement

We have audited the accompanying financial statement of the Iowa County Treasurers Egovernment Alliance as of and for the year ended June 30, 2014, and the related Notes to Financial Statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the cash basis of accounting described in Note 1. This includes determining the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Alliance's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alliance's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash basis financial position of the Iowa County Treasurers Egovernment Alliance as of June 30, 2014, and the changes in its cash basis financial position for the year then ended in accordance with the basis of accounting described in Note 1.

Basis of Accounting

As described in Note 1, the financial statement was prepared on the basis of cash receipts and disbursements, which is a basis of accounting other than U.S. generally accepted accounting principles. Our opinion is not modified with respect to this matter.

Other Matters

*Other Information*

The other information, Management's Discussion and Analysis on pages 7 through 9, has not been subjected to the auditing procedures applied in the audit of the basic financial statement and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated April 15, 2015 on our consideration of the Iowa County Treasurers Egovernment Alliance's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Iowa County Treasurers Egovernment Alliance's internal control over financial reporting and compliance.

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

---

The Iowa County Treasurers Egovernment Alliance (the Alliance) provides this Management's Discussion and Analysis of its financial statement. This narrative overview and analysis of the financial activities of the Alliance is for the year ended June 30, 2014. We encourage readers to consider this information in conjunction with the Alliance's financial statement, which follows.

### **2014 FINANCIAL HIGHLIGHTS**

- Receipts of the Alliance increased approximately \$214,000 from fiscal year 2013 to fiscal year 2014. The increase in receipts is the result of more individuals paying their property tax on-line than in the previous year.
- Disbursements of the Alliance increased approximately \$308,000 from fiscal year 2013 to fiscal year 2014. The primary reason for the increase was incurring additional merchant fees for processing more property tax payments on-line than in the previous year. Another significant reason was an increase in website networking fees.
- The Alliance's cash basis net position increased 17%, or approximately \$78,000, from June 30, 2013 to June 30, 2014.

### **USING THIS ANNUAL REPORT**

The Alliance has elected to present its financial statement on the cash basis of accounting. The cash basis of accounting is a basis of accounting other than U.S. generally accepted accounting principles. Basis of accounting refers to when financial events are recorded, such as the timing for recognizing revenues, expenses and the related assets and liabilities. Under the cash basis of accounting, revenues and expenses and the related assets and liabilities are recorded when they result from cash transactions.

As a result of the use of the cash basis of accounting, certain assets and their related revenues and liabilities and their related expenses are not recorded in this financial statement. Therefore, when reviewing the financial information and discussion within this annual report, readers should keep in mind the limitations resulting from the use of the cash basis of accounting.

The annual report is presented in a format consistent with the presentation of Governmental Accounting Standards Board (GASB) Statement No. 34, as applicable to the cash basis of accounting.

This discussion and analysis are intended to serve as an introduction to the Iowa County Treasurers Egovernment Alliance's financial statement and other information, as follows:

- Management's Discussion and Analysis introduces the financial statement and provides an analytical overview of the Alliance's financial activities.
- The Statement of Cash Receipts, Disbursements and Changes in Cash Balance presents information on the Alliance's operating receipts and disbursements, non-operating receipts and disbursements and whether the Alliance's cash basis financial position has improved or deteriorated as a result of the year's activities.
- Notes to Financial Statement provide additional information essential to a full understanding of the data provided in the financial statement.

## FINANCIAL ANALYSIS OF THE ALLIANCE

### Statement of Cash Receipts, Disbursements and Changes in Cash Balance

The purpose of the statement is to present the receipts received by the Alliance and the disbursements paid by the Alliance, both operating and non-operating. The statement also presents a fiscal snapshot of the Alliance's cash balance at year end. Over time, readers of the financial statement are able to determine the Alliance's cash basis financial position by analyzing the increase or decrease in the Alliance's cash balance.

The Alliance earns interest on the temporary investment of the online property tax and motor vehicle renewal payments made through a special website, which is reported as non-operating receipts. Eighty-eight counties participate in the Alliance. The Alliance receives service delivery fees and pays claims for merchant fees, website networking costs, attorney fees, professional service fees for treasury management for balancing the internet clearing account daily, publications and meeting expenses. During the year, the Alliance chose to pay a \$26,713 distribution of earnings to members of the Alliance. The last such distribution was done in fiscal year 2013. A summary of cash receipts, disbursements and changes in cash balance for the years ended June 30, 2014 and 2013 is presented below:

## **DEBT ADMINISTRATION**

At June 30, 2014, the Alliance had no long-term debt outstanding.

## **ECONOMIC FACTORS**

The Iowa County Treasurers Egovernment Alliance's financial position increased during the current fiscal year due to an excess of receipts over disbursements. For fiscal year 2015, the Alliance budgeted for receipts and disbursements of \$1,712,700 and \$1,783,000, respectively.

## **CONTACTING THE ALLIANCE'S FINANCIAL MANAGEMENT**

Iowa County Treasurers Egovernment Alliance

Notes to Financial Statement

June 30, 2014

**(1) Summary of Significant Accounting Policies**

The Iowa County Treasurers Egovernment Alliance (Alliance) was formed in 2006 pursuant to the provisions of Chapter 28E of the Code of Iowa. The purpose of the Alliance is to provide joint ownership of the internet clearing account and provide for a self-sustaining website by using service delivery fee receipts generated from the online payments of property tax and motor vehicle renewal fees and interest on investments to pay the costs associated with operation of the internet payment system.

The governing body of the Alliance is composed of four (4) members who are elected to staggered four (4) years terms by the membership of the Alliance and a fifth member who is either the Past President of the Iowa State County Treasurers Association (ISCTA) or is appointed by the Executive Board of the ISCTA.

A. Reporting Entity

For financial reporting purposes, the Iowa County Treasurers Egovernment Alliance has included all funds, organizations, agencies, boards, commissions and authorities. The Alliance has also considered all potential component units for which it is financially accountable and other organizations for which the nature and significance of their relationship with the Alliance are such that exclusion would cause the Alliance's financial statement to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the Alliance to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the Alliance. The Alliance has no component units which meet the Governmental Accounting Standards Board criteria.

B. Basis of Presentation

The accounts of the Alliance are organized as an Enterprise Fund. Enterprise Funds are utilized to finance and account for the acquisition, operation and maintenance of governmental facilities and services supported by user charges.

Enterprise Funds distinguish operating receipts and disbursements from non-operating items. Operating receipts and disbursements generally result from providing services and producing and delivering goods in connection with an Enterprise Fund's principal ongoing operations. All receipts and disbursements not meeting this definition are reported as non-operating receipts and disbursements.

C. Basis of Accounting

The Alliance maintains its financial records on the basis of cash receipts and disbursements and the financial statement of the Alliance is prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statement does not present the financial position and results of operations of the Alliance in accordance with U.S. generally accepted accounting principles.

**(2) Cash and Investments**

The Alliance's deposits in banks at June 30, 2014 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The Alliance is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Alliance; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The Alliance had no investments meeting the disclosure requirements of Governmental Accounting Standards Board Statement No. 3, as amended by Statement No. 40.

**(3) Risk Management**

The Alliance is exposed to various risks of loss related to theft, errors and omissions. These risks are covered by the purchase of commercial insurance. The Alliance assumes liability for any claims in excess of coverage limitation. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

**(4) Website Hosting Contract**

In June 2011, the Alliance signed a contract with GOVTech Services, Inc. (GTS) to provide Website hosting and computer software development services. The contract began in July 2011. GTS is paid a set amount for services provided as opposed to the revenue sharing agreement the Alliance had with its previous website hosting provider. GOVTech Services, Inc. was paid website hosting fees of \$460,100 for the year ended June 30, 2014, which is included in website networking disbursements in the financial statement.

**(5) Treasury Management Contract**

The Alliance has entered into a contract with Miles Capital Inc. for audit services of the internet clearing bank account. According to the terms of the contract, Miles Capital Inc. reconciles the internet activity to the bank activity on a daily basis, performs testing of service delivery fee calculations and provides monthly reports of the results of such reconciliations and testing. Miles Capital Inc. was paid professional service fees of \$37,044 for the year ended June 30, 2014.

Independent Auditor's Report on Internal Control  
over Financial Reporting and on Compliance and Other Matters  
Based on an Audit of a Financial Statement Performed in Accordance with  
Government Auditing Standards

To the Members of the Iowa County  
Treasurers Egovernment Alliance:

We have audited in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statement of the Iowa County Treasurers Egovernment Alliance as of and for the year ended June 30, 2014, and the related Notes to Financial Statement, and have issued our report thereon dated April 15, 2015. Our report expressed an unmodified opinion on the financial statement which was prepared on the basis of cash receipts and disbursements, a basis of accounting other than U.S. generally accepted accounting principles.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Iowa County Treasurers Egovernment Alliance's internal control over financial reporting to determine the audit procedures appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Iowa County Treasurers Egovernment Alliance's internal control. Accordingly, we do not express an opinion on the effectiveness of the Iowa County Treasurers Egovernment Alliance's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of the Iowa County Treasurers Egovernment Alliance's financial statement will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit, we did not identify any deficiencies in internal control we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Iowa County Treasurers Egovernment Alliance’s financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters required to be reported under Government Auditing Standards.

Comments involving statutory and other legal matters about the Alliance’s operations for the year ended June 30, 2014 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statement of the Alliance. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Alliance’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Alliance’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Iowa County Treasurers Egovernment Alliance during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
