

**EPI Update for Friday, November 20, 2015 Addendum
Center for Acute Disease Epidemiology (CADE)
Iowa Department of Public Health (IDPH)**

University of Iowa students may be traveling home for Thanksgiving break, which starts today. While home on break, students may present to their healthcare provider requesting a third dose of MMR vaccine. The document at the following link, explains the public health recommendation for administer a third dose of MMR vaccine to University of Iowa students who are less than 25 years of age.
