## Introduction

Iowa Code 29.C.20A.5 requires the Iowa Department of Human Services (DHS) to report annually by January 1 of each year, to the Legislative Fiscal Committee and the Government Oversight Committee concerning the activities of the Iowa Individual Assistance Grant Program (IIAGP) for the previous fiscal year.

## State Fiscal Year 2015

Beginning in June 2014, Iowa began to experience heavy rains which created flooding issues across a large number of Iowa counties. Governor Branstad declared the following disaster emergency. Additional counties were added to this proclamation in July, August and September. 2014 Legislative reporting was halted on October 31<sup>st</sup> 2014 and the remainder of the report is included in 2015. Due to the time of the year and the adverse weather it took a prolonged time period to finish repairs and close out this disaster. The 2015 Disasters declared by the Governor were all heavy rain and High wind events.

The following report covers declared disasters from November 1, 2014 through October 31, 2015.
