

WE'RE HERE TO
help

Iowa's Managed Care Ombudsman Program is your partner in education and advocacy.

In Iowa, the Managed Care Ombudsman Program was established to advocate for the rights and wishes of Medicaid managed care members who receive care in a health care facility, assisted living program or elder group home, as well as members enrolled in one of the following seven home and community-based services (HCBS) waiver programs:

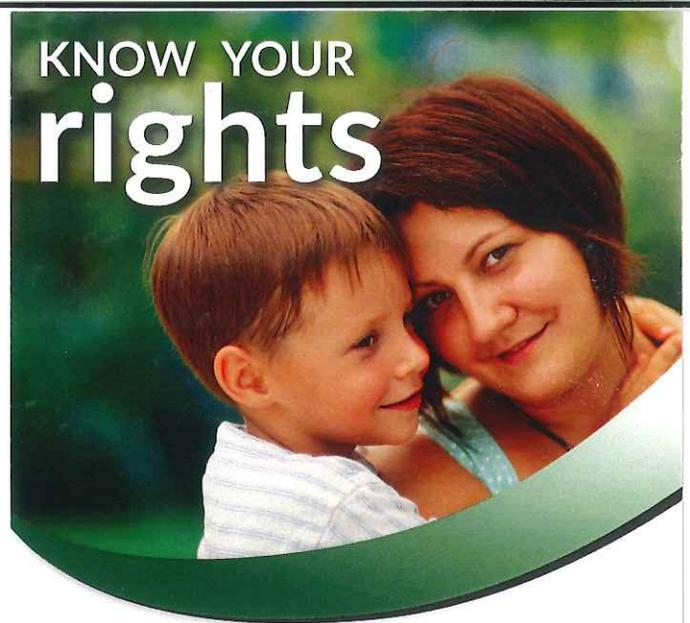

- AIDS/HIV
- Brain Injury
- Children's Mental Health
- Elderly
- Health and Disability
- Intellectual Disability
- Physical Disability

Our goal is to provide information about Medicaid managed care options and members' rights, serve as a resource for answers regarding managed care rules and investigate complaints made by, or on behalf of, members.

If you have a question, concern or complaint about the Medicaid services you receive, please contact the Managed Care Ombudsman Program. All services provided are confidential and free of charge.
