Pursuant to Iowa Code Section 805.6(8)

This Compendium of Scheduled Violations and Scheduled Fines is designed and published by the Iowa Department of Public Safety and the Department of Natural Resources. It is intended for the use of all courts, law enforcement officers and agencies of the State of Iowa. The cost of this publication is paid out of the budget of the Department of Public Safety and the Department of Natural Resources.

DISCLAIMER

The compendium is a list of scheduled violations (simple misdemeanors in which the legislature has set the fine and can be mailed in by the defendant). While some information on non-scheduled simple misdemeanors has been included in this booklet, it should not be viewed as a list of all potential violations of the law in the chapters of the code included herein. Additionally, listed violations have often been abbreviated or condensed to meet space requirements here, in TraCS and on the court computer system (ICIS). It remains the responsibility of each user to know the full content of each of the sections of law listed and their proper application.
