Important Operator Certification Drinking Water and Wastewater Treatment Exam Information

The Iowa Department of Natural Resources is moving both the Operator Certification Program and its testing area from the second floor to the fifth floor of the Wallace State Office Building in Des Moines. Due to this move, Drinking Water and Wastewater Treatment exams will not be available at the Wallace Building from November 13, 2017 through January 2, 2018. Exams will still be offered at the Regional Field Offices during this time by appointment. Please call us at 515/725-0463 with any issues this may cause and we will be happy to work with you on a solution. We thank you for your patience during this time of transition.
