'Quarter Play' Validation Questions Addressed

The "Quarter Play" electronic game card, which will begin distribution this week, requires a different validation process than other instant tickets.

On the Extrema:

1) Scratch off the latex on the back of the card where it says "Void if Removed."

2) Choose "Cash" from the menu on the bottom of the main screen, then choose "Electronic Game Card" from the menu on the screen.

To validate the game card on the Extrema, choose "Electronic Game Card" on the Cash screen.

Retailers must open the door of the SciScan 1500 or roll the wheel on the SciScan 500 to expose the red beam.

3) Pull open the door on the front of the SciScan 1500 reader. You'll see a red beam inside the SciScan. Turn the card sideways, bar code facing away from you, and pass it in front of the beam. If you have a SciScan 500, roll the wheel on the right-hand side of the SciScan until the beam is visible through the slit in the front of the box. Pass the game card in front of the beam.

4) Enter the security code (the three numbers in the box) on the pop-up screen.

To manually validate on the Extrema: Follow Steps 1 and 2 above, then enter the three-digit game number, six-digit pack number, three-digit ticket number and the seven-digit VIRN number (all numbers outside the security code box). Touch "OK," then enter the three-digit security code (the numbers in the box).

On the SciScan 2000:

- 1) Scratch off the latex as described in Step 1 for the Extrema.
- 2) Choose (2) Manual Entry from the main screen, then choose (3) "Electronic Game Card."

Waterloo Man Wins \$26,000 Ultimate Sports Fantasy

Kevin O'Connor of Waterloo has already begun his travels after winning the \$26,000 grand prize "Ultimate Sports Fantasy" trip from the Iowa Lottery.

O'Connor, 57, and his wife attended the Kentucky Derby earlier this month, and he said he also plans to go to the Texas Speedway for a race. He and his wife would like to visit their daughter who lives in Texas while they are there as well.

O'Connor was drawn as the winner in the final "Ultimate Sports Fantasy" drawing held April 21. He was drawn from among all those who mailed in an "Ultimate Sports Fantasy" scratch ticket with an "Entry" symbol on it between January 3 and April 19. He was able to choose where he wanted to travel with his prize.

O'Connor was a little shocked when he found out that he was the \$26,000 trip winner.

"I actually forgot all about it until I got a call the other morning that said I won," he explained.

O'Connor is employed at Kay Park Recreation in Janesville. He purchased his ticket at Kwik Star, 506 W. Ninth Street in Waterloo. 🍀
