SUPERINTENDENT'S MESSAGE

Another Amazing Year

The 72nd Annual Photography Salon had some amazing photographs entered this year. In early June, 358 very eager and excited photographers from across the state began shipping in their 1,105 photos to the Iowa State Fair Photography Salon. During the third weekend of June, another 973 photographers dropped off an additional 2,947 photos at the Cultural Center. Photographers from a record tying 76 Iowa counties participated this year. We also had 33 photographers from 15 different states enter. Most, if not all, of these photographers were either born in Iowa or have strong family ties to the state and the fair.

IowaStateFair

**NOTHING
COMPARES**

The 2011 Photography Salon had a total of 1,331 photographers enter this year. Of the 1,331 photographers who entered, 627 (47%) will have at least one photo on display. Of the 1,123 adults who entered, 496 (44%) will have at least one photo on display. Of the 208 youth who entered, 131 (63%) will have at least one photo on display. Having even one photo on display is a huge accomplishment. Congratulations!

These amazing photographers submitted a total of 4,052 photographs this year. Of the 4,052 photographs entered, 911 (22%) will be on display. Of the 3,496 photographs submitted by adults, 739 (21%) will be on display. Of the 556 photographs submitted by youth, 172 (31%) will be on display. We had some incredible photographs entered by our youth. Twelve of them actually won awards while competing against the adults in the Special Division. Great job youth!

Stop for a moment and imagine what it would be like to examine and judge each and every one of the 4,052 photographs that were entered. "Nothing Compares" to the dedication, time, and effort displayed by our three judges this year. What an incredible task!

We had a record breaking \$8,350 in prize money handed out this year. The Iowa State Fair donated \$3,450 and our remarkable sponsors donated another \$4,900. We simply would NOT be able to have many of our classes without the support of our sponsors. Their help also goes far beyond their financial support. This book and the photos in it, the award winners' certificates, and the Photography Salon poster would not be possible without the donated time and efforts of the University Photo staff. Please join me in thanking them and all of our sponsors for their help and support each year. They are all an amazing group of individuals!

The Photography Salon and the display of photos that you see during the Iowa State Fair simply would not be possible without the help and support of a dedicated staff, a host of volunteers, and the Iowa State Fair Entry Department. "Nothing Compares" to their tireless efforts each year in making the Photography Salon such a huge success. Thank you for all that you do!

Have a great Iowa State Fair!

Charley W. Starnes, Superintendent
Iowa State Fair Photography Salon

JILL BROWN

Jill Brown has more than 15 years of experience in the field of photography. Brown studied photography at Missouri State University and Maryville University in St. Louis, Missouri. Jill started her first wedding and portrait photography business in 2003 while living in St. Louis. In 2005 Brown moved her wedding and portrait business to Des Moines, Iowa. Jill is a member of Professional Photographers of Iowa and Professional Photographers of America.

Besides doing weddings and portraits, Jill dedicates much of her time to developing her own personal fine art portfolio. Brown currently has work displayed in and around the Des Moines area, as well as in personal collections around the world. Jill uses both medium format film cameras and digital cameras to create her images. Here is how she describes her work: "My work is a reflection of everyday life and places. I chose the medium of photography as a tool to capture the essence of the person or place. I create images to depict the subject as they are remembered in the mind. Not posed or unnatural but as a window into the intimate world of the subject."

2012 TIPS FOR ENTERING PHOTOS

SUPERINTENDENT'S COMMENTS

Want to take a guess at the question that I get asked most often? "How do I get my photos accepted for display at the Iowa State Fair?" The answer is fairly simple. Ninety-eight percent of the reasons why photos get rejected each year are listed below. One key reason is because photographers keep submitting *four* photos that are very *similar* in nature. It is NOT the judges' responsibility to pick out your best baby, dog, cat, bird, flower, people, building, or landscape photo. Photographers need to *prejudge* their own work and submit *only* their *best* photo of *each* subject. To *increase* your chances of getting in the show, your *four* photos should be of entirely *different* subjects. One reason why many photos were rejected this year is because they were way too staged. Judges also do NOT like seeing your subject, including pets and people, always staring directly into the camera. Be creative!

The best advice that I can give you about entering is to always hear the sound of my voice in the back of your mind when you *squeeze* the shutter release on your camera. Always remember this: "The Iowa State Fair Photography Salon is about the *art* of photography. Your goal is to, 'Show us the world as we have *never* seen it before!' How you accomplish this is the *art* of photography."

TIPS FOR ENTERING PHOTOS

- Composition! Composition! Composition!
- Learn the *Rule of Thirds*. Do NOT put your *subject* in the center!
- Is your main subject *in focus*? If it is *out of focus*, it is *out of the show*.
- What is your *main* subject? If the judges *cannot* tell, it is *out of the show*.
- Watch for *background* distractions. Look carefully *around* your *main* subject *before* taking your photo.
- Do NOT *always* have your main subject *stare* directly into the camera.
- Do NOT *copy* or *duplicate* the ideas of other photographers or previous winners.
- Do NOT submit photos that are *similar* in nature. Enter four photos with *unique* subject matters.
- Do NOT keep entering the *same* four classes each year. Challenge yourself!
- Give yourself assignments. Spend a day, a week, or a month shooting *specifically* for just *one* class.
- The judges are looking for *photographs* NOT *snapshots*!
- Change your angle of view. See the world from a different *viewpoint*. Get off your feet!
- Change your lens. See the world from a different *perspective*. Take off your *favorite* lens!
- Get closer. Crop tighter. Crop with your lens! Image *quality* is *lost* if you *always* crop in Photoshop.
- If your horizon is NOT level, it is NOT in the show. Buy a *grid screen* or use the feature on your camera.
- Buy a *vertical grip* or *rotate* your camera to fit your subject. Do NOT suffer from *horizontal's disease*!
- Do NOT *over-sharpen* your images!
- Do NOT *over-saturate* your images!
- Color *calibrate* your monitor *at least* once a month.
- Black & White photos should be Black & White NOT Black & Blue!
- Use a good *photo lab* or make sure you have a *high quality* home printer. Print *quality* is everything!
- Using the *smallest* JPG setting means you will get *more* photos on your card and *less* photos in the fair.
- Judges *cannot* judge what they *cannot* see. Recommend photos be *at least* 8" x 10" or larger.
- Learn how to *see* light. Photography is *all* about the *light*!
- Learn about *film speeds*, *shutter speeds*, and *apertures*.
- Learn how to *control* your *depth of field* by changing your aperture.
- Learn how to operate *your* camera. *Read* the owner's manual!
- Run film/pixels through your camera. The *more* you shoot the *better* you will get.
- Take a *class* or join a local *camera club*!

IOWA CHURCHES

As the early settlers set off across this great nation in search of land and freedom, most of them had very few, if any, personal possessions. They did, however, carry with them two very important and critical items that were some of the keys to their success. These two items were their abiding faith and hope for a better way of life for themselves and their families.

One can only imagine the fear that they faced as they headed out into the wilderness. After crossing the mighty Mississippi River they came upon the rolling hills and tall grass prairies of Iowa. Imagine what their first thoughts were upon finding a land so rich and a way of life so promising and encouraging. As the early settlers began building towns across this great state, one building stood out from all the rest. The town church could be seen from miles and miles away. Many of these symbols of the early settlers' abiding faith and hope still stand today.

Your assignment for 2012 is to capture and *photograph* the beauty and splendor of Iowa's Churches. Your assignment, however, is *not* strictly *limited* to churches. Iowa was settled by people from many different religious faiths and beliefs. There are some amazing temples and synagogues in Iowa as well. Do NOT limit yourself to just the outside of the buildings. You can find some amazing natural window light and stained glass inside. Likewise, do NOT limit yourself to a certain time of day or season. This is also a great time to test your black and white skills.

Now for the hardest part of your assignment, I do NOT want to see just *snapshots* of buildings. Your goal is to *photograph* these amazing Iowa landmarks. What is the difference? A *snapshot* is more of a casual photo *without* much thought or planning. A *photograph* is an image that *you* actually *create*. Judges love creativity. Your job as a photographer is to, "Show us the world as we have never seen it before!" How you accomplish this is the *art* of photography. In other words, "Show us Iowa Churches as we have never seen them before!"

ADULT EXHIBITORS

The number in parentheses indicates the number of photos that each adult has on display. The number of asterisks indicates the number of awards they received. Names that are **bolded** received the **Superintendent's Merit Award** for having all four photos accepted for display. Of the 1,331 photographers who entered, only 5 (.4%) photographers received this award.
