SUPERINTENDENT'S MESSAGE

78th ANNUAL PHOTOGRAPHY SALON

I would like to *personally* thank our *sponsors* and our *advertisers* for their contributions this year. Many of our *awards* simply would NOT be possible *without* the support of our *sponsors*. The Photography Salon *book* would also NOT be possible *without* the support of our *advertisers*. The *staff* at University Photo deserves a very *special* recognition for *donating* their *time* and *effort* to scan and edit *each* and *every one* of the 199 *award winning* photographs inside this year's book.

We had 1,064 *photographers* enter the competition this year. Of the 1,064 *photographers* who entered, 518 (49%) have *at least* one photograph on display. Of the 916 *adults* who entered, 412 (45%) have *at least* one photograph on display. Of the 148 *youth* who entered, 106 (72%) have *at least* one photograph on display.

These very *talented* and *creative* photographers submitted a total of 3,446 *photographs*. Of the 3,446 *photographs* entered, 790 (23%) were selected for display. Of the 3,032 *photographs* submitted by *adults*, 639 (21%) were selected for display. Of the 414 *photographs* submitted by *youth*, 151 (36%) were selected for display.

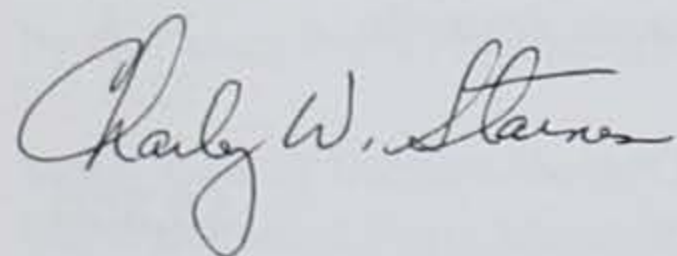

The Photography Salon continues to be *one* of the most *popular* exhibits at the Iowa State Fair. It is also *by far* the toughest *competitive event* at the fair. The numbers above *only* give you a *brief* glimpse into how *competitive* it really is. For *photographers* to have even *one* photograph on display is a *huge* accomplishment. Of the 1,064 *photographers* that entered: 316 (30%) have *one* photo on display, 134 (13%) have *two* photos on display, 66 (6%) have *three* photos on display, and 2 (.2%) have *four* photos on display. Congratulations to Ken DePue and Nikolyn McDonald for having *all four* of *their* photos on display and receiving the *Superintendent's Merit Award for Photographic Excellence*.

I would like to *personally* thank our *three* Judges for all *their* hard work, time and effort. We ended up doing *13 rounds* of judging this year. The judges looked at *every* photograph that was entered *at least* three different times *before* making *their* final decisions. They also looked at *every* photograph that made it 'In the Show' *at least* twice for a *possible* award. All *their* hard work and *dedication* has resulted in an *amazing* display of photographs.

Nothing Compares to my *dedicated* Staff and a *host* of Volunteers. It would be *impossible* to do this each year *without* their help and support. I would *also* like to thank the Iowa State Fair Entry Department and the *summer interns* who processed *all* 1,064 entry forms. Thank you!!!

I *sincerely* hope that *you* enjoy looking at the *incredible* 199 *award winning* photographs inside this year's 78th Annual Iowa State Fair Photography Salon book.

Have a *great* time at the 2017 Iowa State Fair!

Charley W. Starnes, Superintendent

Crayola England

Crayola England is a Senior Photographer for August Home Publishing Company in Des Moines, IA. Crayola's photos have appeared in more than a thousand different magazines and books. Her passion for photography began in school when a darkroom was installed at Grinnell Junior High School in Grinnell, IA. Photography gave England an avenue to express her creativity. She quickly became the school photographer capturing sports and special events for the school newspaper. Crayola obtained her Associate of Applied Art degree in 1985 from Hawkeye Institute of Technology in Waterloo, IA.

England's first professional photography job was as a commercial photographer and assistant to five other photographers in Minneapolis, MN. Crayola later moved to Phoenix, AZ to work for award winning advertising photographer Rodney Rascona. While working for Rascona, she took photos for several major companies such as Audi of America, Kodak, and Dillard's. England's photography repertoire also includes family portraits, senior portraits, band covers, and even a celebrity wedding in Los Angeles, CA. Crayola's photographs have also been displayed in several community art shows and online. She loves photographing objects that most people pass by without even noticing. England instinctively knows how to capture the qualities of light and composition of her subjects.

Rodney White

Art in Iowa

Iowa's MURALS

Epic artwork is springing up all over the state. Why?

by DAN WEEKS

According to Spirit Lake artist Jack Rees, *opposite*, West Okoboji is home to the world's largest mural painted by a single artist — and he's just finishing it.

—Nearby Rock Rapids has 28 murals — and counting. The city plans to add two more each year for the foreseeable future.

Decorah's Carl Homstad is known as "Iowa's muralist." He's painted dozens across the state.

A group known as the Walldogs descended on Keokuk in 2006 and left it, four days later, with an elegant mural in the style of classic, early-20th-century hand-painted wall advertising.

Perhaps not since the 1930s have murals enjoyed such a heyday here.

That's when Grant Wood, Iowa's most iconic regionalist artist, headed the Works Progress Administration's (WPA)

project for Iowa. That effort installed murals in public buildings statewide.

Wood found inspiration for his murals in a quote from the 19th-century American statesman Daniel Webster: "When tillage begins, other arts follow." By that logic, farmers are the first artists — and murals about rural life bring the process of creation and representation full circle. Perhaps no wonder Iowa was and is fertile ground for murals.

Perhaps also, the scale of Iowa's landscape lends itself to big art. Or the intimate sense of community here is one people want to capture and commemorate. Or the prairie heritage and the achievements that followed are ones we're fond of remembering. Or all of the above. In any case, we're a state rich in epic artwork. Here are a few of our favorites — some old, some on which the paint is barely dry.

THE IOWAN magazine believes in sharing the work of Iowa's best fine artists such as that of Spirit Lake artist Jack Rees, above (featured in the May/June 2015 issue).

Sharing these stories is why we're a longtime sponsor of the Iowa State Fair Fine Art Exhibition. Each summer we look forward to viewing an inspiring collection of art that seems to get better every year.

In each issue of THE IOWAN we feature dozens of Iowa's finest arts and cultural events and institutions, along with people, places and experiences. We aim to inspire your work, expose you to unique articles and expand your travel.

Pick up your complimentary copy of THE IOWAN at the Fine Art Exhibition information table. We think you'll like what you see.

2018 TIPS FOR ENTERING

SUPERINTENDENT'S COMMENTS

It is NOT the *judges'* responsibility to pick out *your* best baby, people, dog, cat, bird, frog, flower, barn, building, landscape, or sunset photo. Photographers need to *pre-judge* their *own* work and submit *only* their *best* photo of *each* subject matter. The entry rules *clearly* state that the *same* photo or *similar* photo CANNOT be entered in *multiple* classes. Photos that are the *same* or *similar* will be *rejected*.

This entry rule was created to help *increase* NOT *decrease* your chances of getting *in the show*. During the *first* round of *thirteen* rounds of judging, *all* four of *your* photos are lined up *together* in front of the judges. To *increase* your chances of being *exhibited*, your photos should be of entirely *different* subjects. Another *huge* mistake is trying to *copy* or *duplicate* the *ideas* of *other* photographers or *previous* award winners.

TIPS FOR ENTERING

- Show us the world as we have never seen it before!
- Composition! Composition! Composition!
- Learn the *Rule of Thirds*. Do NOT *always* put your *main* subject in the center.
- What is your *main* subject? If the *judges* CANNOT tell, it is *out of the show*.
- Is your *main* subject *in focus*? If it is *out of focus*, it is *out of the show*.
- Watch for *background* distractions. Look carefully *around* your *main* subject *before* taking your photo.
- Do NOT *always* have your *main* subject (people, dogs, cats, etc.) *stare* directly into the camera.
- Do NOT *copy* or *duplicate* the *ideas* of *other* photographers or *previous* award winners.
- Do NOT submit *photos* that are *similar* in nature. Enter *photos* with *different* subject matters.
- Do NOT *keep* taking photos of the *same* old landmarks. The *judges* have *seen* them before.
- Do NOT *keep* entering the *same* old classes *every* year. Challenge yourself!
- Do NOT fall *in love* with your photograph!
- The *judges* know absolutely *nothing* about your photo and the *story* behind it.
- The *judges* are looking for *photographs* NOT *snapshots*!
- The *judges* are looking for *photographs* NOT *vacation* photos!
- The *judges* do NOT like to see *photographs* that are too *staged* or *set up*.
- The *judges* CANNOT see your *photo* for all the hot pink, red, orange, purple, and velvet mats.
- The *judges* CANNOT *judge* what *they* CANNOT see. Your *photos* should be *at least* 8" x 10" or larger.
- Your *goal* is to make *at least* one of the three judges *wish* that *they* were the photographer. Dang Factor!
- Change your angle of view. See the *world* from a *different* viewpoint. Get off your feet!
- Change your lens. See the *world* from a *different* perspective. Take off your favorite lens!
- Image *quality* is *lost* if you *always* crop in Photoshop. Get *closer*. Crop *tighter*. Crop with your lens!
- If your *horizon* is NOT *level*, it is NOT in the show. Buy a *grid screen* or use the *feature* on your camera.
- Buy a *vertical grip* or *rotate* your camera to *fit* your subject. Do NOT *suffer* from *horizontal's disease*!
- Buy a *circular polarizing filter* for your lens. Learn *how* and *when* to use it.
- Do NOT *over-sharpen* or *over-saturate* your images!
- Color *calibrate* your *monitor* at least *once* a month!
- Black & White photos *should* be Black & White NOT Black & Blue.
- Use a good *photo lab* or make sure you have a *high quality* home printer. Print *quality* is *everything*!
- Learn how to *see* the *light*. Photography is *all* about the *light*!
- Learn about *film speeds*, *shutter speeds*, and *apertures*.
- Learn how to *control* your *depth of field* by *changing* your aperture.
- Learn about the *light metering patterns* inside your camera and *how* to use them.
- Learn about *white balance*. Learn *how* to create a *custom* white balance *inside* your camera.
- Learn how to *operate* your camera. *Read* the owner's manual and/or *learn* about it on YouTube!
- Using the *smallest* JPG setting *means* you will get *more* photos on your card and *less* photos in the fair.
- Run *film/pixels* through your camera. The *more* you shoot the *better* you will get!
- Give *yourself* assignments. Spend a day, a week, or a month *shooting* for *just* one class.
- Take a *class* or join a local *camera club*!

2018 DIVISIONS & CLASSES

2018 THEME CLASS

MUSIC

Next year's *assignment* is about learning how to *feel*. It is *also* about learning how to become *emotionally* connected with your *main* subject. Music and photography have *always* had a number of things in common. Both can evoke *feelings* and *emotional* responses from the *listener* and the *viewer*. Just as a really *great* song can take *us* back to a wonderful *time* and *place* in our lives, a really *great* photograph can *also* have the *same* effects on us.

Many of the *greatest* photographers in history were *also* musicians. Ansel Adams, who was also a *concert* pianist, is probably one of the most *famous* photographers ever.

Music has *always* played a very *important* role in *our* lives. Think back to the last time that *you* were at home *editing* your own photographs. I would venture to guess that the large *majority* of *you* were *listening* to some of your favorite *songs* and *music* while *you* were *editing* your photographs.

To help with *your* assignment, I have some things that I want *you* to try. First, focus on *just* one class. Second, pick out some of *your* favorite *music* and *listen* to it while *you* are out *taking* photos. Try listening to *several* different *types* of music to see how *they* can affect *your* mood and *your* photos. Third, go by yourself. Again, the goal is for *you* to learn how to *feel* and become *emotionally* connected to your *main* subject. "Great photography is about *depth of feeling*, not *depth of field*." – Peter Adams

The *main* subject of *your* photograph in the *theme class* next year must be *music* related in

some shape, form, or fashion. Because *you* will have had an *entire year* to perfect *your* skills, the photos in the *theme class* will be *judged* to a much *higher* standard.

Keep in mind that *you* will still need to *focus* on *creating* an image that has a *great* composition and a *clearly* defined *main* subject. If the judges *cannot* figure out what *your* main subject is, it is 'Out of the Show'.

Your photographs should also *excite* and *inspire* the other *photographers* and *visitors* at next year's Iowa State Fair. More importantly, *your* images must also *excite* and *inspire* next year's *three* judges. You have to make *them* wish that *they* were the *photographer*. If *you* do this, I can *guarantee* that *your* photographs will be on *display* next year.

Again, always remember to *focus* on the *art* of photography. At the Iowa State Fair, we are looking for *photographs* NOT *snapshots*. A *photograph* is so much *harder* to create than a *snapshot*. It takes *time*, *thought*, *creativity*, and *planning* to create. A really *great* *photograph* is actually *created* in the *mind* of the photographer *well* before the shutter is ever released. At the end of the day, *your* goal and/or *mission* is to, "Show us the world as we have never seen it before!"

Charley W. Starnes, Superintendent

A History Worth Preserving... A Future Worth Supporting

The Iowa State Fair is a celebration of all things Iowa including its most popular exhibit, the Photography Salon. Each year, thousands of photographers enter more than 3,600 photographs to compete at the Iowa State Fair.

From Black & White to Color - each class and category showcases unique photos worthy of a blue ribbon. For more than 160 years the **Iowa State Fair** has grown, reflecting the development and growth of our great state. What will the next 160 years hold?

The **Blue Ribbon Foundation** has been a key component of the Iowa State Fair since 1993. In celebration of our anniversary, we are hosting a 25th Anniversary Campaign. The purpose of the campaign is to honor our history while creating awareness about our mission for the future. The proceeds of this campaign will be dedicated to *Our Fair's Future*, the Blue Ribbon Foundation's endowment fund.

As the endowment grows, it will provide a reliable source of funding for future renovations, building enhancements and maintenance to the Fairgrounds, ensuring the Fair will be a grand tradition for generations to come. Join the Foundation and the growing base of donors in our charge to renovate and preserve the historic Iowa State Fairgrounds.

The Iowa State Fair is a tradition any Iowan can be proud of, and the Blue Ribbon Foundation is dedicated to continuing that legacy. We invite you to join a community of generosity and become even more involved with the Fair you know and love.
