To the Members and Officials of the Iowa Legislature:

The Iowa Legislature is a part of the State of Iowa and, as such, has been included in our audit of the State's Comprehensive Annual Financial Report (CAFR) for the year ended June 30, 2016.

In conducting our audit, we became aware of an aspect concerning the Iowa Legislature's operations for which we believe corrective action is necessary. As a result, we have developed a recommendation which is reported on the following page. We believe you should be aware of this recommendation. This recommendation has been discussed with Iowa Legislature personnel and their response to the recommendation is included in this report. While we have expressed our conclusion on the response, we did not audit the Iowa Legislature's response and, accordingly, we express no opinion on it.

This report, a public record by law, is intended solely for the information and use of the officials and employees of the Iowa Legislature, citizens of the State of Iowa and other parties to whom the Iowa Legislature may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Iowa Legislature during the course of our audit. Should you have questions concerning the above matters, we shall be pleased to discuss them with you at your convenience. Individuals who participated in our audit of the Iowa Legislature are listed on page 5 and they are available to discuss these matters with you.

Finding Reported in the State's Report on Internal Control:

No matters were noted.

Other Findings Related to Internal Control:

No matters were noted.

Finding Related to Statutory Requirements and Other Matters:

Targeted Small Businesses – Chapter 73.16 of the Code of Iowa requires the Agency to establish a procurement goal for certified targeted small businesses (TSB) each fiscal year. Chapter 73.16.2(a)(2) states the procurement goal shall be established at a level which exceeds the procurement levels from certified targeted small businesses during the previous fiscal year.

For fiscal year 2016, the TSB procurement goal was less than actual TSB spending from the previous year.

Recommendation – The Agency should develop procurement goals for certified targeted small businesses greater than actual TSB spending from the prior year or pass legislation to repeal this requirement.

Response – The Legislative Service Agency (LSA) will establish a certified targeted small businesses procurement goal which exceeds the procurement levels during the previous fiscal year.

Conclusion – Response accepted.
