

IPERS Employer Bulletin 2012-2

DATE: April 16, 2012
TO: Reporting Officials
FROM: Donna M. Mueller, CEO
SUBJECT: Clarification on Workers' Compensation Payments

Clarification on Workers' Compensation Payments

This bulletin is to clarify how workers' compensation payments should be treated under IPERS. **Workers' compensation payments should *never* be covered.** We recommend you note that information in Section 4 of the Employer Handbook, if you have a printed copy.

This differs from the coverage rules for short- and long-term disability payments. To determine whether short- and long-term disability payments are covered, you must know where the payments are coming from. For more information on coverage of short- and long-term disability payments, please read the [spring 2012 issue of *The Latest Word*](#).
