Iowa State Parks

Getting ready for
100 years!

Iowa State Parks Volunteer Day

September 28, 2019

Sept. 23, 2019

Lend a hand this weekend at your favorite state park!

On Saturday, Sept. 28, more than **40 state parks** will host volunteer events to spruce up the parks, and we invite you to lend a hand!

This year's Volunteer Day will help Iowa get ready for the **100th anniversary** of the state park system in **2020**. Volunteer activities will be unique to each park and could include litter pick-up, painting picnic tables, clearing trails, planting trees and more.

Learn more about specific events on the [DNR's Volunteer webpage](#). Thank you for caring for Iowa state parks.
