Office Hours @ Northwest District

**Online Conversations
Resume In Zoom
Tuesday April 14**

Thanks to everyone who attended our first "**Office Hours**" conversation on March 31. Many people expressed that this format will be helpful in the days ahead and is sure to prove a nice way to renew connections with each other. So this will definitely continue in the short term--and will likely be extended after things return to normal :-)

I hope you'll catch the next **Northwest Office Hours** opportunity on **Tuesday April 14th**. I skipped this week because the Kids First Conference took center stage, so let's come back together next Tuesday.

The format is informal: drop in just to chat. These are casual conversations (not for c.e. credit) Come as you are, where you are, whether logging in from home or library. It's especially effective to bring a microphone-headset to the conversation. And a web cam is cool, too!

And to share your favorite Kids First session.**

Wishing you a Happy Easter!
