A day spent one-on-one with your dad is a gift like no other. He deserves it!

The fish are in the water, grab your dad and go fishing. Iowa waters teem with unprecedented numbers of fish—west to east from big river to big river—and the lakes, rivers and streams in-between.

Make the most of your Father's Day fishing trip with these simple tips:

- Buy your or dad's fishing license [online today](#).
- Zoom in on our [interactive fishing atlas](#) to find out everything you need to know about your favorite fishing spot or pick a new place to explore.
- Get hotspots and fishing news from our [weekly fishing report](#) emailed directly to your inbox – [sign up today!](#)
