Aug. 12, 2020

## EASY Air Title V “how-to” webinar postponed

Due to widespread power outages, DNR is cancelling tomorrow's webinar to learn how to use the Environmental Application System (EASY Air) to apply for air quality Title V operating permits.

Originally scheduled for Aug. 13, the training webinar will be held Aug. 27 from 9 to 11:30 a.m.

Please plan to join us Aug. 27. After an introduction to EASY Air to submit Title V operating permit applications, you'll learn the essentials on how to:

- access and navigate the system
- complete Title V applications
- modify Title V permits
- amend sent back applications.

Be thinking of your questions. Presenters will allow ample time to answer them.

Register at <https://register.gotowebinar.com/register/665204942614892302>. After registering, expect a confirmation email with information about joining the webinar. If you are already registered, there is no need to re-register. However, if you cannot attend on Aug. 27, please cancel your registration.

Registration information will be updated and posted under "What Kind of Training is Available" on the [eAir Services](#) web page later. If you need information before Aug. 27, you can watch December 2019 training webinars at eAir Services.

## A note on Iowa DNR and COVID-19

The Iowa Department of Natural Resources is working with state and local officials to reduce the spread of COVID-19 and has transitioned employees to work remotely. DNR offices are closed to the public during this time and only available by appointment.

In another effort to further reduce the spread of COVID-19, the DNR is encouraging the use of the online services for submitting applications, payments and other daily tasks and interaction with DNR staff.

- [Full list of DNR's online services](#)
- [Up-to-date information on DNR services, facilities and events impacted by COVID-19](#)
- [Technical information for regulated businesses in regards to COVID-19](#)

We thank you for your patience and flexibility during this time. If you need to contact DNR staff you can reach them by email or phone or by calling 515-725-8200.

DNR's Air Quality News listserve is targeted to the regulated public and consultants to deliver timely regulatory news, program updates, and technical guidance to your email. If you have difficulty, please contact DNR's Wendy Walker at 515-725-9570.
