NEW FOR 2005

Nonresident deer hunters may now purchase a preference point to hunt deer in a future year instead of participating in the Any-deer drawing (see page 3).

LICENSE QUOTAS

The number of nonresident deer licenses available for 2005 is the same as 2004:

- ◆ 6,000 ANY-DEER licenses are available, divided among 10 zones.
- ◆ No more than 35 percent of the available ANY-DEER

licenses for each zone can be for the bow season.

- ◆ An additional 2,500 ANTLERLESS-ONLY deer licenses are available for hunters that do not obtain an ANY-DEER license

Quotas for ANY-DEER and BOW licenses have been established for each zone (see table on page 2). ANY-DEER licenses will be issued randomly within each zone for the season designated by the applicant until the BOW or ANY-DEER quota is reached for each zone. If the BOW quota is reached first, ANY-DEER licenses will continue to be issued for firearm seasons until the zone quota is reached.

ANTLERLESS-ONLY deer licenses will be sold in a separate process after ANY-DEER licenses are issued. Nonresidents that own land in Iowa will receive preference in purchasing ANTLERLESS-ONLY licenses (see page 3-4).

Nonresident hunters born after Jan. 1, 1967, must provide proof of successfully completing a hunter education course to apply for or obtain a deer hunting license. Applications will not be accepted without proof of completion (see "To Expedite Your Order" on page 3 for details).

LICENSE REQUIREMENTS AND RESTRICTIONS

Nonresidents must have in their possession a 2005 Iowa nonresident deer hunting license, a 2005 Iowa nonresident hunting license and have paid the 2005 habitat fee to hunt, possess or transport deer. As a nonresident, you MAY NOT:

- apply for or purchase more than one nonresident deer hunting license.
- apply for or purchase a resident and nonresident deer hunting license in the same year unless your resident status changes.
- carry, use or have in your possession any license or transportation tag issued to another hunter.
- hunt in any zone, season or farm unit (if applicable) other than that specified on the license.
- obtain a deer license if your Iowa hunting privileges have been suspended or revoked.

WHO MUST PURCHASE NONRESIDENT LICENSES TO HUNT DEER IN IOWA?

You must purchase Iowa nonresident hunting licenses UNLESS you meet at least ONE of the following criteria to qualify as an Iowa resident:

- A) Have a legally-obtained Iowa driver's license or Iowa non-operator's identification card **and** have physically resided in Iowa at least 30 consecutive days immediately before applying for or purchasing a resident hunting license.
- B) Are legally registered to vote in Iowa.
- C) Are a full-time student at an educational institution in Iowa and reside in Iowa while attending the educational institution.
- D) Are a nonresident under 18 years of age with a parent who is a legal resident of Iowa.
- E) Are a member of the armed forces of the United States serving on active duty and: 1) are stationed in Iowa, or 2) are stationed outside Iowa, claim residency in Iowa, and have filed an Iowa income tax return as a resident for the preceding tax year.

DUAL RESIDENCY NOT PERMITTED

You must purchase Iowa nonresident hunting licenses if you have done any of the following (except for persons qualifying under C, D and E on page 1):

- ◆ Have a currently valid resident hunting, fishing, trapping or other recreational license issued in another state or country
- ◆ Have a currently valid driver's license issued in another state or country
- ◆ Are legally registered to vote in another state or country
- ◆ Claim a homestead or other state tax exemption in another state or country
- ◆ Are receiving public assistance in another state or country

This is not a complete list of rules governing Iowa residency. Other privileges claimed as a resident of another state or country may also disqualify you from purchasing a resident license.

NONRESIDENT LANDOWNERS

Owning land in Iowa does not confer residency. Persons who own land in Iowa but do not meet the criteria to purchase resident hunting licenses are not eligible for free resident landowner-tenant licenses or other resident deer licenses. Nonresident landowners will have first opportunity to purchase a nonresident Antlerless-Only license. See page 4 for details.

INVALID LICENSES

An Iowa resident hunting license will be invalid if:

- ◆ You obtain a license under false pretenses
- ◆ You do anything that would forfeit your eligibility for a resident license after the license is obtained, such as moving out of Iowa or obtaining a resident hunting license in another state.

IMPORTANT NOTICES

Any-Deer licenses, Antlerless-Only licenses for hunters with landowner's preference (see page 4), Antlerless-Only licenses for non-landowners and Antlerless-Only licenses for the Holiday season are sold at separate times and by separate methods. Please read through the entire guide before deciding which license you are eligible for and wish to purchase.

Two types of hunters must submit affidavits of eligibility to the DNR before applying for a license: 1) Hunters wishing to participate in the Disabled season and 2) Nonresident landowners applying for preference for antlerless-only licenses. Affidavits must be received by the DNR at least 3 working days prior to applying for a license. Affidavits may be obtained at www.iowadnr.com/wildlife/files/deerappl.html or call 515-281-5918.

APPLYING FOR A LICENSE

Nonresident deer hunting licenses may be applied for through the DNR's new web-based license sales system or by calling the telephone ordering system at **1-800-367-1188**.

To apply online, go to www.iowadnr.com, look for the hunting license sales icon and follow the prompts. A nonrefundable application fee and a credit card fee will be added to applications whether submitted by Internet or phone. Application fees may be charged to either a MasterCard, Visa or Discover card, or paid by electronic check (the electronic check process will be explained when you apply.) ATM cards are not accepted.

TO EXPEDITE YOUR ORDER

Fill out the information at the bottom of page 4 before applying. Make sure to select a zone and season and have your personal identification number (social security number or DNR identification number from a previous ELSI license) and credit card or blank check ready when you call. Those required to have hunter education certification and who have not previously purchased a license through ELSI will be required to fax a copy of their state-issued hunter education card or certification letter to the telephone order center before telephoning the toll free number to apply. The fax number is (615) 263-4271. The phone number is 800-367-1188.

NONRESIDENT ANY-DEER LICENSE May 7 - June 5, 2005

Applications for Any-Deer licenses will be accepted beginning **6 a.m. CDT May 7 through June 5**. If applications have been sold in excess of the license quota or bow quota for any zone, a drawing will be held to determine which applicants receive licenses. Hunters may determine their drawing status after **June 25** by visiting the DNR's website at www.iowadnr.com and clicking on "wildlife." Drawing status will not be provided over the phone. Do not call the DNR or the telephone order number for drawing status.

Licenses will be mailed to successful applicants in late July. Refunds of license fees will be mailed to applicants 6 to 8 weeks after the drawing. License agent writing fees, administrative fees and the telephone or internet application fee will not be refunded.

If any license quota for Any-Deer licenses has not been filled, the excess Any-Deer licenses will be sold first come first served online or through the telephone ordering system beginning **6 a.m. CDT July 2**. Licenses will be sold until the quota has been filled or 10 days before the start of the respective season. To check the availability of excess or antlerless licenses go to www.iowadnr.com and click on "wildlife."

GROUP APPLICATIONS ALLOWED

Hunters may apply for Any-Deer licenses as individuals or as a group of up to 15 applicants, with one member identified as the group leader. The group leader must apply first and state he/she is the group leader. Members of a group must call to apply separately, but each member must submit the group leader's IDNR customer identification number when applying. **If there is a drawing, all members of a group will be assigned the preference point(s) of the member with the**

fewest points. All members of a group will be accepted or rejected together in the drawing. Members of a group that are rejected may purchase excess Any-Deer or Antlerless-Only licenses individually if quotas are not filled.

PREFERENCE POINTS

NEW!! Hunters who choose not to apply for an Any-deer license in Iowa in 2005 may purchase one preference point that will improve their chance of getting a license in a future year. **Preference points may only be purchased May 7 - June 5.** Preference points will cost \$10 plus application fees and will be available online or through the telephone ordering system. Preference points purchased in this manner will be handled the same as preference points obtained by hunters who are unsuccessful in the Any-deer drawing.

Hunters unsuccessful in the drawing for an Any-deer license will be given one preference point in addition to any preference point(s) assigned from a previous year(s). Preference points will not accrue in a year in which you fail to apply or purchase a preference point, but you will retain any preference points previously earned. Once you receive an Any-deer license, your preference point(s) will be eliminated. (You will not lose preference points by purchasing an Antlerless-only license). You may use your preference points in any zone or season the next time you apply. Preference points will not apply to Antlerless-only licenses.

The license drawing for Any-deer licenses will be made from the pool of applicants with the most preference points and continue to pools with successively fewer preference points until quotas are filled or all applicants have received an Any-deer license.

NONRESIDENT DEER LICENSE APPLICATION INSTRUCTIONS

NONRESIDENT ANTLERLESS-ONLY LICENSES

NONRESIDENTS WITH LANDOWNER PREFERENCE

Nonresidents who own land in Iowa (see box below, right) and have not purchased a nonresident Any-Deer license will have first preference in purchasing an Antlerless-Only license. Landowners who want preference for an Antlerless-Only license must provide proof of land ownership to the DNR each year they are eligible. A fully completed "Affidavit for Nonresident Landowner Antlerless-Only Deer Hunting License" must be received by the DNR at least three working days prior to purchasing the license.

Affidavits may be obtained through the DNR's website at www.iowadnr.com/wildlife/files/deerappl.html or by calling 515-281-5918 Monday through Friday, 8 a.m. to 4:30 p.m. CDT. The form can be mailed, faxed or emailed (PDF format) to you. Nonresidents that have landowner preference may purchase an Antlerless-Only license first come first served beginning **6 a.m. CDT July 2** and continuing until the quota is filled or the last day of the season for which the license is valid, whichever occurs first. Landowner Antlerless-Only licenses will be valid only on the farm unit of the landowner. For purposes of obtaining this license, all the land owned in Iowa will be considered one farm unit. Preference points will not apply to Antlerless-Only licenses, nor will preference points be awarded to persons that attempt to purchase them after the quota is filled.

NONRESIDENTS WITHOUT LANDOWNER PREFERENCE

Nonresidents that have not claimed landowner preference and that have not purchased an Any-Deer License

may purchase one Antlerless-Only license. The Antlerless-Only quota does not apply to a zone, but hunters must declare a zone and season when purchasing the license and may hunt only in that zone and season. Antlerless-Only licenses for hunters without landowner preference will be sold first come first served through the telephone ordering system beginning **6 a.m. CDT July 16** and will remain on sale until the quota is filled or the last day of the season for which a license is valid, whichever occurs first. Preference points will not apply to Antlerless-Only licenses, nor will preference points be awarded to persons that attempt to purchase them after the quota is filled.

HOLIDAY DEER LICENSE

If the quota of nonresident Antlerless-Only licenses is not filled, hunters that do not have a nonresident deer license may purchase an Antlerless-Only license for the holiday season. Licenses may be purchased over the counter through any ELSI license agent beginning Dec. 15, 2005. **Holiday Deer Licenses will not be sold online or through the telephone ordering system.**

Licenses will be valid from Dec. 24, 2005, through Jan. 2, 2006. A muzzleloader, bow or handgun may be used (see "Legal Weapons" on page 2). A nonresident hunting license and habitat fee are also required.

YOU ARE NOT ELIGIBLE FOR A NONRESIDENT

LANDOWNER ANTLERLESS-ONLY LICENSE IF YOU ARE:

- ◆ a member of a nonresident landowner's family
- ◆ a nonresident who owns land jointly with a resident
- ◆ a nonresident or a family member who are tenants in Iowa but not landowners

In cases where more than one nonresident is listed as the owner of land, only one member of the joint ownership will be eligible in the same year.
