About Libraries Transform Book Pick

This program is a collaboration between OverDrive and the American Library Association (ALA) designed to connect readers across the country with their local libraries — and provide a great book for a digital book club.

Libraries Transform Book Pick

Ambitious and masterfully-wrought, Lauren Francis-Sharma's *Book of the Little Axe* is an incredible journey, spanning decades and oceans from Trinidad to the American West during the tumultuous days of warring colonial powers and westward expansion.
