Northwest District Office Hours

First and Third Tuesdays

Next week marks the third **Tuesday in September**, which means we're up for **Northwest District Office Hours** on **Tuesday September 15th**.

10:30AM in my Zoom Room, the login link shows below.

Next week, we'll switch things up a bit by first welcoming **Lourdes Aceves** with the **Edge Project**. Lourdes is joining us with a review of the **Edge Technology Assessment** tool, along with suggestions for making the best use of the **Edge Action Plan**.

Take note: Northwest libraries needing to freshen long-range plans for re-accreditation purposes by February 2021 will find this review very helpful. Because completing the **Edge Tech Assessment** and using the results in your planning process is a great idea--and the timing is just

right! **Plus ... The Edge Assessment** is still **entirely FREE** to Iowa public libraries--remember it's paid for by the State Library of Iowa.

Lourdes will lead off at 10:30AM and will speak for approximately 40 minutes. Following her presentation, everyone is welcome to stick around, as schedules permit, to resume our normal conversation format. Happy to allow additional time next Tuesday to talk about whatever else is on your plate at the moment :-)

NW Office Hours format is set up as a casual conversation. There is no C.E. credit because this is really a chance to stay connected, share experiences, and assist each other with questions.

Take time out for an **Edge refresher**--and chatter!
Hope you can join the conversation next **Tuesday September 15th @ 10:30AM.**
