District Office Hours Continue!

October 27 Discussion Details

Our weekly office hours, "Tuesdays with Mori," continue! Each week, we meet in Maryann's Zoom Room from 1:30-2:30 to talk about questions, issues, concerns, accomplishments. This week, we'll continue our conversation (started last week) about how you'll format your upcoming "budget presentation" to highlight your need for funding even in the midst of closures and limited services. We'll also have information to share about how you can access patron computer screens socially distanced (to help them with tech questions) via a tool you already have access to!

Your Input is Needed!

The State Library wants to know what kind of online tools and resources you want or need at your library. We'll use this information to determine what online services we'll be providing in the future. Please take a few minutes to complete this short survey and give us your input!
