## Welcome Message from IPERS CEO, Gregory S. Samorajski

On May 1, Greg Samorajski joined IPERS as its CEO. Please [enjoy this welcome message from him](#). When the public health emergency is over, Greg looks forward to meeting our members and partners in person.

## IPERS Trust Fund Stability

IPERS understands that our members may be concerned about recent investment market challenges and how those may impact our ability to pay promised retirement benefits now and in the future. We want to reassure you that IPERS has a diversified investment portfolio that is managed with a long-term outlook. IPERS' Trust Fund is strong and secure, and IPERS has the liquid assets necessary to pay monthly benefits for years to come.

## COVID-19 and IPERS Services

To mitigate the spread of COVID-19, IPERS continues to modify the way we provide services to our members. These changes, in effect until further notice, help ensure the health and safety of our staff and members.

A change for retirees includes a [proclamation](#) signed by the governor which allows some lowans who retired from IPERS-covered employment to more readily return to work.

Visit the [COVID-19 section](#) on our website to view the latest information. If you have any questions regarding these updates, please contact us 800-622-3849 or email us at [info@ipers.org](mailto:info@ipers.org).
