Board Room Series: Debuting The New Iowa Library Trustees' Handbook (Worth CE credits!) 6 PM - 7:30 PM

With the new handbook front-and-center, we'll share chapter highlights. The third edition of The Iowa Library Trustee's Handbook c2021 is expected to be published on the State Library's website by mid-January. We did a similar webinar in October, but without the new publication in hand. Attendees will have the opportunity for breakout room discussion. Since 2009, the State Library of Iowa has produced this reference book for public library boards. It has proven to be a reliable and authoritative resource, important reading for newly appointed trustees, equally useful for experienced members. There is no obligation to read the handbook prior to the webinar. Attendance at this program helps satisfy standard #8 "all members of the library board of trustees participate in a participate in a variety of board development training each year."
