Got SLEIS questions?

Are you currently working on your 2020 emissions report in the State & Local Emissions Inventory System (SLEIS)? If you have questions, DNR SLEIS experts will be available March 4 for a live virtual Question & Answer session to assist you.

To participate, simply join the Q & A session by clicking on the zoom link <https://us02web.zoom.us/meeting/register/tZ0ucu6vrD0tGNGfjCX9SniDq0KM-F9mwWzh> at any time between 9 and 11 a.m. You will be placed in a special waiting room, and a DNR expert will join you to answer your questions. You can even share your SLEIS screen if you need to. Pre-registration is not required and there will be no formal training presentation.

Minor sources can look forward to an additional formal SLEIS training session on April 15 from 8:30 a.m. to noon. Please pre-register for the April class at https://us02web.zoom.us/meeting/register/tZAsf-yvqT8pGdFZbJp-Yv7xA7Dww_S0KARB.

Feel free to send your questions to us at sleis@dnr.iowa.gov.

DNR's Air Quality News listserve is targeted to the regulated public and consultants to deliver timely regulatory news, program updates, and technical guidance to your email. If you have difficulty, please contact DNR's Wendy Walker at 515-725-9570.
