Learning Opportunities

Office Hours on Tuesdays

My weekly "office hours" session will occur tomorrow (March 16) from 1:30-2:30. Every Tuesday afternoon, you can join other librarians from our district to ask questions, share ideas, and network. It's an open forum format, so the topics vary from week to week. Save this message, so you always have access to the meeting room (by clicking the green button below).

Carlisle PL and Drive-Through Vaccinations

Recently, Carlisle Public Library staff helped sponsor a drive-through COVID vaccination clinic. Stacy Goodhue, director of the library, shared how she got the idea, partnered with several other city organizations and agencies, and successfully helped get 90 residents vaccinated in just two hours! View this "Kernels" session to learn what Stacy and her staff did!

If you need immediate assistance during that time, please call the State Library's main number at 515-281-4102, and another consultant will be available to assist you. I will respond to emails and voice messages when I return to my office the afternoon of March 22.
