selves and their neighbors by harboring either Rebels or their property.

The communication states that Fred. Rector, Esq., late acting County Judge of your county, had been authorized to organize the militia of your county, and "that when he had succeeded in organizing a sufficient force to protect the county, he was without any reason deprived of his authority."

This is a grave error. The reason that Judge Rector's authority was annulled, was that I was credibly informed that his loyalty to our Government was doubted; that he was of a class alleged to be somewhat numerous in your county, whose sympathies are much stronger for Rebels than for Union men. No man whose position is not above suspicion on this point can receive any authority from me, if I know his position, or can retain it a moment longer than the knowledge reaches me, if I have power to annul it. Colonel Hedges of your county has been authorized to organize your militia. and I do not see any good reason why his authority should be revoked and given to Judge Hodges.

Col. Hedges is represented to me as an efficient man and his loy. alty is undoubted. The state arms now in your county are in the hands of good and loyal men and I do not see the necessity of placins them elsewhere. If there should be any further disturbance of the peace in your county, the men who now have the arms can use them as well as others.

Col. Nutt will on request exhibit his instructions. Any aid you can render him will, no doubt, be thankfully accepted.

Very Respectfully.

(Signed,)

SAMUEL J. KIRKWOOD.
