Use Easy Pick Play Slip During High Jackpot Times

High jackpots call for innovative ideas!

Next time you have a long line in your store of people wanting to buy Powerball tickets, try this hint from an assistant manager of a convenience store. She found a way to cut a few steps when selling Powerball tickets!

The retailer simply filled out a \$5 easy pick Powerball play slip and ran it through the scanner on the Extrema each time a player requested \$5 worth of Powerball easy pick tickets. Or, she ran the play slip through as many times as needed if the order was for a multiple of \$5 worth of tickets. This retailer said it saves time and gives the player faster service.

Try this next time you have a line at your lotto terminal! 🍀

Dubuque Man Wins Over \$7,000 on 'Instant Millionaire'

Ross Vanderbilt of Dubuque

Ross Vanderbilt of Dubuque became Iowa's fourth contestant to advance to the final round on "Powerball Instant Millionaire" and play for the game show's top prize of \$1 million.

Vanderbilt ended up winning \$7,041 on the June 21 episode of the weekly show and

said he was "enjoying every penny of it."

"It was fun. I've had a blast," he said.

Vanderbilt, a machine operator, said he believed he would be a big winner on the show, but for a little help, he took a few good luck charms with him during the show's

taping in Las Vegas, including a pair of dice, the four 8s from a deck of cards and a lottery scratch ticket he hadn't played yet.

Vanderbilt said he planned to use his winning to pay off his truck and "have a little pocket change." 🍀

School Bus Driver from Des Moines Claims \$100,000

A Des Moines man said a supermarket clerk was the first person to realize he'd won a \$100,000 Iowa Lottery prize.

"She said, 'Hey Bill, I think you won \$100,000!'" Bill Holin said as he claimed his prize. "She came unglued! I couldn't believe it. When she hollered out, everybody started coming around and congratulating me and carrying on."

Bill Holin of Des Moines

Holin, 80, who drives a West Des Moines school bus for handicapped children, took the afternoon off after realizing he'd won the top prize in Iowa's \$100,000 Cash Game.

Holin bought his winning ticket at the Git-n-Go at 5736 Franklin Ave. in Des Moines. Holin matched all five numbers in the \$100,000 Cash Game drawing to win the top prize. Holin, who is married and has three children, said he plans to save his winnings for now.

"If I want to use it, I'll use it. Otherwise, I don't think I'm going to do anything too drastic," he said.

Since the Iowa Lottery's inception in 1985, more than \$1.5 billion has been awarded in prizes and nearly \$780 million has been raised for state programs. 🐾
