## Know Where to Find Drawing Results Fast!

Since most lottery drawings are no longer televised, it can be frustrating trying to find the drawing results. Don't worry — there are many solutions to this problem.

Here's a list of ways to find drawing results quickly and easily.

Visit our **Web site** at [www.ialottery.com](http://www.ialottery.com). You'll see the latest results on the home page and you can click on any game name to get information about the numbers from past drawings.

Many **television newscasts** carry the results during the news or show the results on the screen as soon as they are available.

**Radio stations** also broadcast drawing results.

Most **daily newspapers** across the state print drawing results in a regular location each day.

**Billboards** placed in many locations across the state are updated with the current Powerball jackpot information.

You can print drawing results from any game from your **lotto terminal**. Print several so you have them on hand for players.

The lottery has five **"Winning Numbers" hot lines** you can call to get a recorded listing of the latest numbers drawn. The numbers are: Des Moines: 515-323-4633; Cedar Rapids: 319-393-7884; Mason City: 641-424-9111; Storm Lake: 712-732-2558 and Council Bluffs: 712-242-2163.

More than 70 radio stations across the state carry a regular feature called **"Winning Minute"** that airs at a regular time each day and features the latest drawing results and stories about winners.

Don't be at a loss the next time you need drawing results — post this list somewhere handy! 📌

### Watch Lotto Ticket Expiration Dates

There's a difference between the expiration dates of lotto tickets sold for Iowa-only games and those for multi-state lotto games.

Iowa games' tickets expire 90 days after the drawing for which they are eligible (\$100,000 Cash Game, Pick 3 and Pick 4). Multi-state games' tickets are good for 365 days after the drawing for which they are eligible (Powerball and Hot Lotto).

# Promotional Event Winner!

Stephanie Spieler of Marcus won \$500 on a "Life in the Cash Lane" scratch ticket she purchased at the Marcus Junction, 406 Highway 3, during an Iowa Lottery promotional event at the store. She also got to spin the prize wheel, pictured behind her, after her purchase.

# Player Almost Throws Away Winning Ticket

## But she rescues \$30,000 winner from trash

After nearly losing her winning ticket, a Polk County woman won big money recently!

Linda Knapp, 52, of Des Moines won \$30,000 playing the "Crossword" (newsprint) instant-scratch game. She purchased the winning ticket at Quik Trip, 2945 E. University Ave. in Des Moines and claimed her prize at Iowa Lottery headquarters in Des Moines.

Knapp originally thought she had won \$3,000 when she took her ticket to her local lottery retailer to be verified. The clerk at the store confirmed it had won more than the \$600 that they could pay out, and the lottery machine printed out a claim receipt for her

to take to the lottery office with her ticket to claim her prize. But Knapp took only the claim receipt - the ticket was torn in half and thrown in the trash!

Linda Knapp of Des Moines

Once she got to the lottery, she was informed she needed the ticket to claim the prize. Luckily the store still had the ticket! The clerks at the store taped it back together and Knapp went back to the lottery office with the ticket, where she was informed it was not a \$3,000 winner.

"I won thirty thousand!" she gushed as she claimed her prize. "My husband is just not going to believe this!"

Knapp said she will use her prize money to pay off her car. 🎰
