The Iowa Missing Persons Bulletin is published monthly by the Iowa Department of Public Safety Missing Person Information Clearinghouse in order to provide information concerning missing persons from the State of Iowa. By publishing this bulletin, we hope to increase public awareness and cooperation with the ultimate aim of helping to locate these people.

Pamela Lynn Wight (DOB: 11/22/1969) was reported missing to the Altoona, Iowa Police Department. Jessica is a white female, 5'6" tall, 160 lbs. with blonde hair and blue eyes. She was last seen 11/21/2002 wearing blue jeans and an army green colored Carhart sweatshirt. She is suffering from a recent head injury which has resulted in a speech impediment. Her mentality level is that of a 7 to 10 year old child.

If you have information regarding the disappearance of Jessica, please contact: the Altoona, Iowa Police Department at 515/967-5132 or the Iowa Missing Person Information Clearinghouse at 1-800-346-5507.

A toll-free telephone line is available twenty-four hours a day, seven days a week, to take information on persons reported missing and help with the filing of missing persons reports. If you recognize someone from this bulletin, **DO NOT TAKE ANY ACTION YOURSELF**. Get as much information as you can (e.g., license number of a vehicle, exact location of sighting, activities individual involved in) and then call the local law enforcement agency named in the bulletin or our hotline number, 1-800-346-5507. Any information we receive will immediately be referred to the appropriate law enforcement agency for further investigation.

Missing Children Training

The Missing Person Information Clearinghouse, Iowa Division of Criminal Investigation, hosted a one day training for Iowa Law Enforcement Agencies November 21, 2002 at the Camp Dodge Theater in Johnston, Iowa. The training , **Missing and Abducted Children: A Survival Program for First Responders and Initial Investigators** was presented by Stephen Steidel, the Associate Director of Training at the National Center for Missing and Exploited Children and former Commander of the Missing Persons Bureau in Suffolk County New York. The training was designed to provide critical information to those officers and investigators responding to a missing child report and whose knowledge, skill, and ability make the difference between prompt recovery and a protracted investigation. In addition to reactive investigative techniques, the course also provided information to better prepare first responders for encounters with potential child predators. Child abduction, family abduction, runaways, media relations, sexual predators, incident screening, recovery techniques, investigative resources, and agency planning were the topics that were covered. There were 42 people in attendance from 23 different agencies across the state.

National Center for Missing and Exploited Children LOCATOR Program

According to a study by the Washington State Attorney General's Office, in 74 percent of missing-child homicides, the child is murdered within the first 3 hours of the abduction.

With this in mind, the National Center for Missing & Exploited Children (NCMEC) launched **LOCATER**, a program to distribute advanced computer systems to create and disseminate posters of missing children locally, statewide, or nationwide. LOCATER is provided at no charge to the agency.

To find out more about how your agency can obtain a LOCATOR computer system for your agency log on to the National Center for Missing and Exploited Children web site at www.missingkids.org or contact: LOCATER Program, National Center for Missing & Exploited Children, Charles B. KNOW THE RULES...

SAFETY TIPS FOR THE HOLIDAYS

1. When in a public facility always supervise your child, and **ALWAYS** accompany young children to the restroom. Make certain your children know to stay with you at all times while shopping and always **CHECK FIRST** with you or the person in charge before they go anywhere. It is important to know where your children are and who they are with at all times.
2. If older children become separated from you while holiday shopping, have them meet you in a predesignated spot such as the sales counter of the store you were in or the mall's information booth. For younger children teach them to look for people who can be sources of help within the store or mall such as a uniformed security officer, salesperson with a nametag, the person in the information booth, or a uniformed law-enforcement officer. They should **NEVER** leave the store/mall or go to the parking lot to look for you or your car.
3. Make visits to the mall opportunities for your children to practice these safe shopping skills. Teach them how to use a public telephone; locate adult sources of help within the mall or a store; and, for older children, go to the restroom with a friend. Practice having them **CHECK FIRST** with you before going anywhere within a mall or store. Leave clothing with your children's names displayed at home, as it can bring about unwelcome attention from inappropriate people who may be looking for an opportunity to start a conversation with your children.
4. Parents should not leave children alone at public facilities such as video arcades, movie theaters, or playgrounds as a convenient babysitter while they are holiday shopping. Never leave children in toy or specialty stores expecting store personnel to supervise and care for your children. They are not trained in this role, and it is not a function of their employment.
5. If you allow your older children to go to the mall or other activities without you, they need to **TAKE A FRIEND**. It's more fun and much safer. Older children should check in with you on a regular basis while they are out. Make certain a clear plan is in place to pick them up including where, what time, and what to do in case of a change in plans.
6. Nothing takes the place of your supervision when you are in a public place with your children. If you are going holiday shopping and feel that you will be distracted, make other arrangements for the care of your children. It's easy for you and your children to get distracted with all the sights, sounds, and crowds of holiday shopping, so make certain they stay with you at all times.
