CODE ADAM

Code Adam, one of the country's largest child-safety programs, was created and promoted by the Wal-Mart® retail stores and named in memory of 6-year-old Adam Walsh whose abduction from a Florida shopping mall and murder in 1981 brought the horror of child abduction to national attention. This program is a safety program developed to assist in the retrieval of children who disappear while shopping with their parents in retail stores. When a child is reported missing, a store employee will announce a "Code Adam" over the loudspeakers and all designated employees will stop working to assist in locating the child.

Wal-Mart®, with the help of the National Center for Missing and Exploited Children, has generously offered other retailers the opportunity to implement this powerful tool against child abduction." The goal is to incorporate this program into as many stores as possible.

To find out more about the Code Adam Program and how to become involved, contact the National Center for Missing and Exploited Children at 1-800-843-5678 or visit their web site at www.missingkids.com. (Go to About Us and scroll down to "Code Adam Program" in the search bar.)
