To the Members of the
Iowa Law Enforcement Academy Council:

The Iowa Law Enforcement Academy is a part of the State of Iowa and, as such, has been included in our audits of the State's Comprehensive Annual Financial Report (CAFR) and the State's Single Audit Report for the year ended June 30, 2006.

In conducting our audits, we became aware of certain aspects concerning the Academy's operations for which we believe corrective action is necessary. As a result, we have developed recommendations which are reported on the following pages. We believe you should be aware of these recommendations pertaining to the Academy's internal control, compliance with statutory requirements and other matters. These recommendations have been discussed with Academy personnel and their response to these recommendations are included in this report.

This report, a public record by law, is intended solely for the information and use of the officials and employees of the Iowa Law Enforcement Academy, citizens of the State of Iowa and other parties to whom the Academy may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Academy during the course of our audits. Report of Recommendations to the
Iowa Law Enforcement Academy

June 30, 2006

Findings Reported in the State's Single Audit Report:

No matters were noted.

Finding Related to Internal Control:

Gift Shop – During our review of internal control, the existing control activities in the Academy's gift shop were evaluated in order to determine activities, from a control standpoint, were designed to provide reasonable assurance regarding the achievement of objectives in the reliability of financial reporting, effectiveness and efficiency of operations, and the compliance with applicable laws and regulations. The following weaknesses in the Academy's gift shop were noted:

- One individual is responsible for ordering, receiving, sales and maintaining gift shop inventory
- An inventory listing is not maintained
- Pre-numbered receipts are not issued
- A physical inventory is not performed annually

Recommendation – We realize segregation of duties is difficult with a limited number of office employees. However, the Academy should review the operating procedures of the gift shop to obtain the maximum internal control possible under the circumstances. The Academy should utilize personnel to provide additional control through segregation of ordering, receiving and sales. In addition, an inventory listing should be maintained and an inventory count should be performed at least annually by an independent person. Pre-numbered receipts should be issued for all sales.

Response – Staff are in process of meeting this requirement. An independent inventory is planned to be taken no less than once per year at the end of each year by a person not involved with the gift shop. Additional unannounced inventories are planned throughout the year. The Academy also plans to obtain a cash register with numbered receipts that will be matched with a sales sheet completed by the individual ordering the products. This sales sheet will be matched with inventories taken by the gift shop staff and independently reviewed.

Additional steps will be taken as the staff meets with other state departments and evaluates processes.

Conclusion – Response accepted.

Report of Recommendations to the
Iowa Law Enforcement Academy

June 30, 2006

Finding Related to Statutory Requirements and Other Matters:

Receipt Deposits - Chapter 12.10 of the Code of Iowa requires ninety percent of all fees, commissions and moneys received to be deposited within ten days succeeding the collection. The remainder of the funds shall be deposited within 30 days. Four of sixteen receipts tested were not deposited timely. In addition, cash receipts were identified as being held up to six months before being deposited.

Recommendation - The Academy should deposit receipts as required by the Code of Iowa.

Response - Receipts will be processed as received instead of weekly as is currently done. Cash receipts will be processed monthly. Academy approval time will be tracked. There will be a back-up person for department-level approval when needed.

Conclusion - Response accepted.
