NEWS RELEASE
--------------

FOR RELEASE June 20, 2008 Contact: Andy Nielsen 515/281-5834

Auditor of State David A. Vaudt today released an audit report on the ADLM Counties Environmental Public Health Agency.

The Agency had total receipts of \$448,097 for the year ended June 30, 2007, a 28 percent increase over 2006. The receipts included \$111,211 in inspections and sales, \$100,000 in bond anticipation note proceeds, \$99,800 in contributions from member counties, \$77,500 in state grants, \$59,216 in licenses and permits and \$370 in other receipts.

Disbursements totaled \$338,263 for the year ended June 30, 2007, an 8 percent decrease from the prior year, and included \$184,796 for salaries, \$81,408 for construction of a new facility and \$21,991 for travel.

The significant increase in receipts is due to the receipt of bond anticipation note proceeds for the construction of a new facility.

A copy of the audit report is available for review in the ADLM Counties Environmental Public Health Agency office, in the Office of Auditor of State and on the Auditor of State's web site at <a href="http://auditor.iowa.gov/reports/reports.htm">http://auditor.iowa.gov/reports/reports.htm</a>.

# Independent Auditor's Report

To the Member Counties of the ADLM Counties Environmental Public Health Agency:

We have audited the accompanying financial statement of the ADLM Counties Environmental Public Health Agency as of and for the year ended June 30, 2007. This financial statement is the responsibility of the Agency's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described in Note 1, this financial statement is prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash basis financial position of the ADLM Counties Environmental Public Health Agency at June 30, 2007, and the changes in its cash basis financial position for the year then ended in conformity with the basis of accounting described in Note 1.

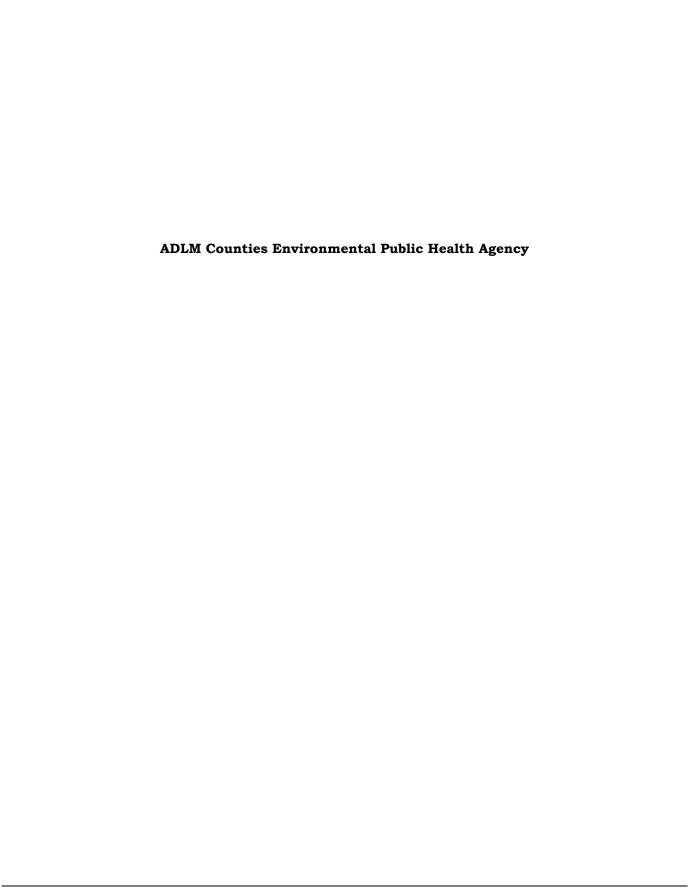

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated June 11, 2008 on our consideration of the ADLM Counties Environmental Public Health Agency's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be considered in assessing the results of our audit.

Management's Discussion and Analysis on pages 7 through 9 is not a required part of the financial statement, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. We did not audit the information and express no opinion on it.

DAVID A. VAUDT, CPA Auditor of State

WARREN G. JENKINS, CPA Chief Deputy Auditor of State

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

The ADLM Counties Environmental Public Health Agency provides this Management's Discussion and Analysis of its financial statement. This narrative overview and analysis of the financial activities of the ADLM Counties Environmental Public Health Agency is for the fiscal year ended June 30, 2007. We encourage readers to consider this information in conjunction with the Agency's financial statement, which follows.

### 2007 FINANCIAL HIGHLIGHTS

- Operating receipts decreased 14.8%, or approximately \$52,000, from fiscal 2006 to fiscal 2007. The decrease in receipts was primarily due to state grants.
- ♦ Operating disbursements decreased 9.1%, or approximately \$22,000 from fiscal 2006 to fiscal 2007.
- ♦ Cash basis net assets increased approximately \$110,000 from June 30, 2006 to June 30, 2007, primarily due to the receipt of bond anticipation note proceeds of \$100,000 for a new facility for the ADLM Counties Environmental Public Health Agency.

### USING THIS ANNUAL REPORT

The Agency has elected to present its financial statement on the cash basis of accounting. The cash basis of accounting is a basis of accounting other than U.S. generally accepted accounting principles. Basis of accounting refers to when financial events are recorded, such as the timing for recognizing revenues, expenses and the related assets and liabilities. Under the cash basis of accounting, revenues and expenses and the related assets and liabilities are recorded when they result from cash transactions.

As a result of the use of the cash basis of accounting, certain assets and their related revenues and liabilities and their related expenses are not recorded in this financial statement. Therefore, when reviewing the financial information and discussion within this annual report, readers should keep in mind the limitations resulting from the use of the cash basis of accounting.

The annual report is presented in a format consistent with the presentation of Governmental Accounting Standards Board (GASB) Statement No. 34, as applicable to the cash basis of accounting.

This discussion and analysis are intended to serve as an introduction to the financial statement. The annual report consists of the financial statement and other information, as follows:

- Management's Discussion and Analysis introduces the financial statement and provides an analytical overview of the Agency's financial activities.
- The Statement of Cash Receipts, Disbursements and Changes in Cash Basis Net
  Assets presents information on the Agency's operating receipts and
  disbursements, non-operating receipts and disbursements and whether the
  Agency's financial position has improved or deteriorated as a result of the year's
  activities.
- Notes to Financial Statement provide additional information essential to a full understanding of the data provided in the financial statement.

# FINANCIAL ANALYSIS OF THE AGENCY

Statement of Cash Receipts, Disbursements and Changes in Cash Basis Net Assets

The purpose of the statement is to present the receipts received by the Agency and the disbursements paid by the Agency, both operating and non-operating. The statement also presents a fiscal snapshot of the cash balance at year end. Over time, readers of the financial statement are able to determine the Agency's cash basis financial position by analyzing the increase and decrease in cash basis net assets.

Operating receipts are received for contributions from member counties, operating grants, licenses and permits, inspections and sales and other receipts. Operating disbursements are disbursements paid to operate the Agency. Non-operating receipts and disbursements are for capital grants, debt proceeds and capital projects. A summary of cash receipts, disbursements and changes in cash basis net assets for the years ended June 30, 2007 and June 30, 2006 are presented below:

	Year ended	June 30,
	2007	2006
Operating receipts:		
Contributions from member counties	\$ 99,800	118,350
State grant for management services	27,500	137,772
Licenses, permits, inspections and sales	170,427	93,909
Miscellaneous	370	-
Total operating receipts	298,097	350,031
Operating disbursements:		
Salaries and benefits	184,796	175,707
Office supplies	10,923	15,198
Equipment	954	-
Travel	21,991	16,588
Telephone	3,703	3,051
Training	626	1,436
Well testing	368	300
Well abandonment	19,829	4,908
Lead abatement	2,071	9,244
Radon testing	1,691	1,357
Legal services	2,839	-
Miscellaneous	7,064	7,542
Total operating disbursements	256,855	235,331
Excess of operating receipts over operating disbursements	41,242	114,700
Non-operating receipts (disbursements):		
Land	-	(38,500)
Equipment	-	(81,100)
Bond anticipation note proceeds	100,000	-
State grant for new facility	50,000	-
Construction of new facility	(81,408)	-
Net non-operating receipts (disbursements)	68,592	(119,600)
Net change in cash basis net assets	109,834	(4,900)
Cash basis net assets beginning of year	13,895	18,795
Cash basis net assets end of year	\$ 123,729	13,895
Cash Basis Net Assets		
Restricted for new facility	\$ 68,592	-
Unrestricted	55,137	13,895
Total cash basis net assets	\$ 123,729	13,895

In fiscal 2007, operating receipts decreased approximately \$52,000, or 14.8%, from fiscal 2006. In fiscal 2007, operating disbursements increased approximately \$22,000, or 9.1%. The decrease in receipts was primarily due to state grants. Non-operating receipts increased primarily due to proceeds from a bond anticipation note for construction of a new facility for the ADLM Counties Environmental Public Health Agency. The Agency plans to pay for the new facility with fund balances and a loan.

# LONG-TERM DEBT

At June 30, 2007, the Agency had a community facilities revenue bond anticipation note outstanding of \$100,000. Additional information about the Agency's note is presented in Note 5 to the financial statements.

### **ECONOMIC FACTORS**

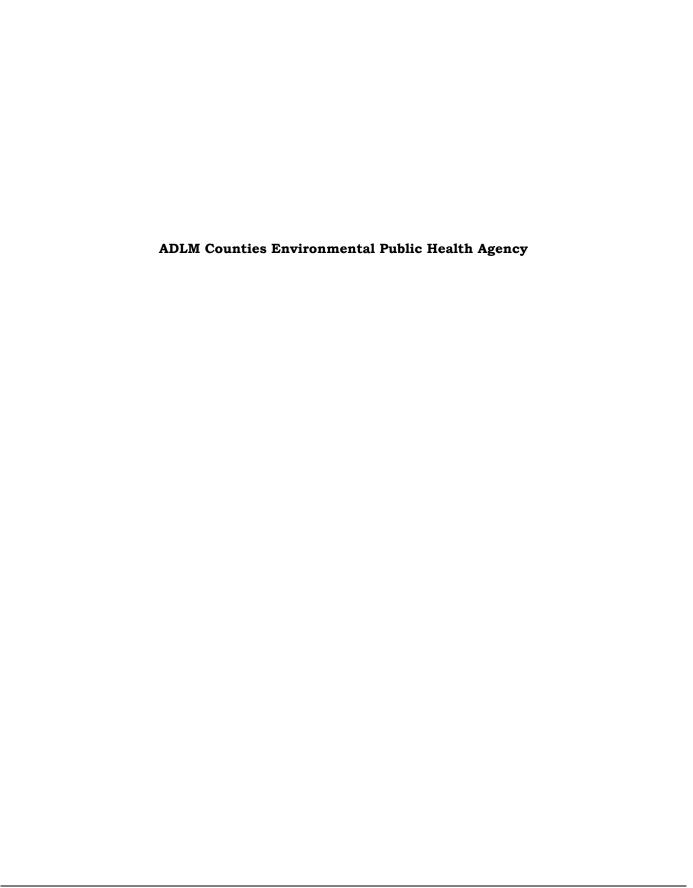

The current condition of the economy in the state continues to be a concern for Agency officials. Some of the realities that may potentially become challenges for the Agency to meet are:

- Facilities require constant maintenance and upkeep.
- ♦ Technology continues to expand and current technology becomes outdated, presenting an on going challenge to maintain up to date technology at a reasonable cost.

The Agency anticipates the current fiscal year will be a transitional one as the facility building project is completed and the Agency will expend the majority of its net assets in addition to taking on long-term debt.

### CONTACTING THE AGENCY'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers and creditors with a general overview of the Agency's finances and to show its accountability for the money it receives. If you have questions about this report or need additional financial information, contact the ADLM Counties Environmental Public Health Agency, P.O. Box 399, Moravia, Iowa 52571.

See notes to financial statement.

# Notes to Financial Statement

June 30, 2007

# (1) Summary of Significant Accounting Policies

The counties of Appanoose, Davis, Lucas and Monroe entered into a 28E agreement in 2004 to establish a joint Commission composed of one representative from each county. Each member county has one vote.

Pursuant to Chapter 28E of the Code of Iowa, the Commission established and governs the ADLM Counties Environmental Public Health Agency. The primary purpose of the Agency is to enforce all rules and regulations (state and local) pertaining to public health for and on behalf of its member counties.

In prior years, the Appanoose County Auditor was the fiscal agent for the Agency. Accordingly, the Agency's financial data was included as an Agency Fund within Appanoose County's financial statements.

On July 1, 2006, the Lucas County Auditor became the fiscal agent for the Agency. On or about January 1, 2007, the Agency assumed financial reporting responsibilities for its activities.

#### A. Reporting Entity

For financial reporting purposes, the ADLM Counties Environmental Public Health Agency has included all funds, organizations, agencies, boards, commissions and authorities. The Agency has also considered all potential component units for which it is financially accountable and other organizations for which the nature and significance of their relationship with the Agency are such that exclusion would cause the Agency's financial statement to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the Agency to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the Agency. The Agency has no component units which meet the Governmental Accounting Standards Board criteria.

### B. Basis of Presentation

The accounts of the Agency are organized as an Enterprise Fund. Enterprise Funds are utilized to finance and account for the acquisition, operation and maintenance of governmental facilities and services supported by user charges.

Enterprise Funds distinguish operating receipts and disbursements from non-operating items. Operating receipts and disbursements generally result from providing services and producing and delivering goods in connection with an Enterprise Fund's principal ongoing operations. All receipts and disbursements not meeting this definition are reported as non-operating receipts and disbursements.

# C. Basis of Accounting

The ADLM Counties Environmental Public Health Agency maintains its financial records on the basis of cash receipts and disbursements and the financial statement of the Agency is prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statement does not present the financial position and results of operations of the Agency in accordance with U.S. generally accepted accounting principles.

#### (2) Cash

The Agency's deposits in banks at June 30, 2007 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The Agency is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Agency; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The Agency had no investments meeting the disclosure requirements of Governmental Accounting Standards Board Statement No. 3, as amended by Statement No. 40.

# (3) Pension and Retirement Benefits

The Agency contributes to the Iowa Public Employees Retirement System (IPERS), which is a cost-sharing multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits which are established by State statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, Iowa, 50306-9117.

Plan members are required to contribute 3.70% of their annual covered salary and the Agency is required to contribute 5.75% of annual covered payroll. Contribution requirements are established by state statute. The Agency's contribution to IPERS for the year ended June 30, 2007 was \$7,923, equal to the required contribution for the year.

### (4) Risk Management

The Agency is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. The Agency assumes liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

# (5) Community Facility Revenue Bond Anticipation Note

On June 7, 2007, the Agency entered into a bond anticipation note with US Bank, N.A. for a maximum of \$130,000 to finance a portion of the costs to construct an office building. The note is due on May 1, 2008 with interest from the date of each advance until paid at a variable interest rate equal to 69% of the prime rate published in the Wall Street Journal. During the year ended June 30, 2007, the Agency received advances of \$100,000 and did not make any payments on the note.

# (6) Compensated Absences

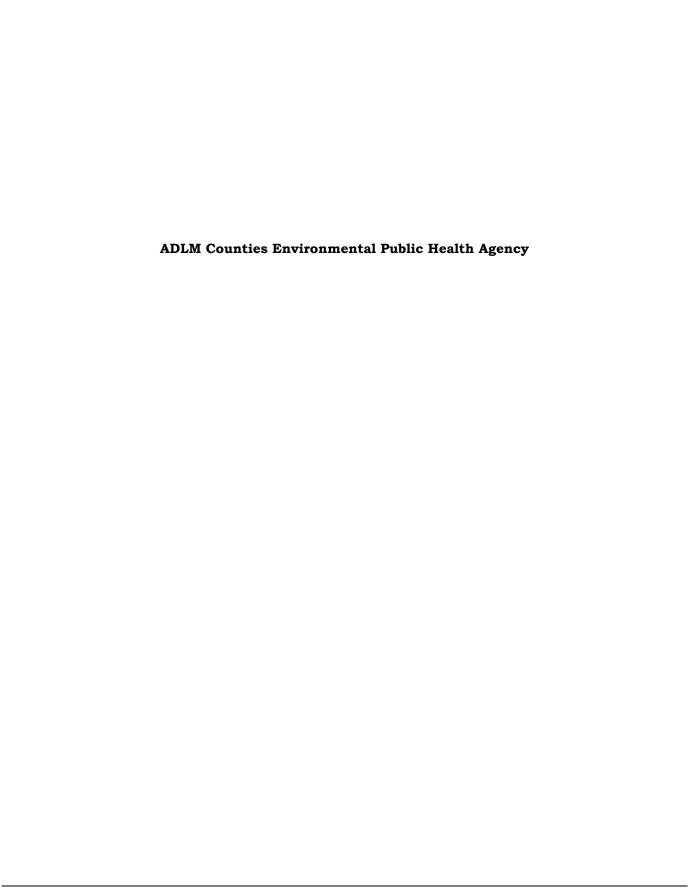

Agency employees accumulate a limited amount of earned but unused vacation leave hours for subsequent use or for payment upon termination, retirement or death. These accumulations are not recognized as disbursements by the Agency until used or paid. The Agency's approximate liability for earned vacation at June 30, 2007 was \$10,000. This liability has been computed based on rates of pay in effect at June 30, 2007.

# (7) Construction Commitments

The Agency has entered into a construction contract of \$198,500 for a new facility. As of June 30, 2007, costs of \$59,155 had been paid on the contract. The remaining balance of \$139,345 will be paid as work on the project progresses.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of a Financial Statement Performed in Accordance with Government Auditing Standards

# OFFICE OF AUDITOR OF STATE

David A. Vaudt, CPA Auditor of State

State Capitol Building
Des Moines, Iowa 50319-0004

Telephone (515) 281-5834 Facsimile (515) 242-6134

Independent Auditor's Report on Internal Control
over Financial Reporting and on Compliance and Other Matters
Based on an Audit of a Financial Statement Performed in Accordance with
Government Auditing Standards

To the Member Counties of the ADLM Counties Environmental Public Health Agency:

We have audited the accompanying financial statement of the ADLM Counties Environmental Public Health Agency as of and for the year ended June 30, 2007, and have issued our report thereon dated June 11, 2008. Our report expressed an unqualified opinion on the financial statement which was prepared in conformity with an other comprehensive basis of accounting. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

# Internal Control Over Financial Reporting

In planning and performing our audit, we considered the ADLM Counties Environmental Public Health Agency's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the ADLM Counties Environmental Public Health Agency's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the ADLM Counties Environmental Public Health Agency's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies, including deficiencies we consider to be material weaknesses.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Agency's ability to initiate, authorize, record, process, or report financial data reliably in accordance with an other comprehensive basis of accounting such that there is more than a remote likelihood a misstatement of the Agency's financial statement that is more than inconsequential will not be prevented or detected by the Agency's internal control. We consider the deficiencies in internal control described in the accompanying Schedule of Findings to be significant deficiencies in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statement will not be prevented or detected by the Agency's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, of the significant deficiencies described above, we believe items (A) and (C) are material weaknesses.

# Compliance and Other Matters

As part of obtaining reasonable assurance about whether the ADLM Counties Environmental Public Health Agency's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under <u>Government Auditing Standards</u>. However, we noted certain immaterial instances of non-compliance or other matters that are described in the accompanying Schedule of Findings.

Comments involving statutory and other legal matters about the Agency's operations for the year ended June 30, 2007 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statement of the Agency. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

The ADLM Counties Environmental Public Health Agency's responses to findings identified in our audit are described in the accompanying Schedule of Findings. While we have expressed our conclusions on the Agency's responses, we did not audit the ADLM Counties Environmental Public Health Agency's responses and, accordingly, we express no opinion on them.

This report, a public record by law, is intended solely for the information and use of the officials, employees and citizens of the ADLM Counties Environmental Public Health Agency and other parties to whom the Agency may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the ADLM Counties Environmental Public Health Agency during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

DAVID A. VAUDT, CPA Auditor of State

WARREN G. JENKINS, CPA Chief Deputy Auditor of State

June 11, 2008

# Schedule of Findings

June 30, 2007

# Findings Related to the Financial Statement:

#### SIGNIFICANT DEFICIENCIES:

(A) <u>Segregation of Duties</u> – One important aspect of internal accounting control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. One person has primary control over collecting, depositing and posting receipts.

<u>Recommendation</u> – We realize segregation of duties is difficult with a limited number of office employees. However, the Agency should review its control procedures to obtain the maximum internal control possible under the circumstances.

Response – We will review this to obtain the maximum control possible.

<u>Conclusion</u> – Response accepted.

(B) Receipts – The Agency did not issue prenumbered receipts for all collections.

Recommendation - Prenumbered receipts should be issued for all collections.

Response – We will begin using prenumbered receipts immediately.

Conclusion – Response accepted.

(C) Bank Reconciliation – The book balances were not reconciled to the bank balances.

<u>Recommendation</u> – Book balances should be reconciled to bank balances monthly and variances, if any, should be resolved timely. All reconciling items should be documented to support the reconciliation.

<u>Response</u> – We have started to prepare monthly bank reconciliations and will document deposits in transit and outstanding checks, if any.

<u>Conclusion</u> – Response accepted.

#### **INSTANCES OF NON-COMPLIANCE:**

No matters were noted.

# Schedule of Findings

June 30, 2007

# Other Findings Related to Required Statutory Reporting:

- (1) <u>Questionable Disbursements</u> No disbursements we believe may not meet the requirements of public purpose as defined in an Attorney General's opinion dated April 25, 1979 were noted.
- (2) <u>Travel Expense</u> No disbursements of Agency money for travel expenses of spouses of Agency officials or employees were noted.
- (3) <u>Commission Minutes</u> Except as noted below, no transactions were found that we believe should have been approved in the Commission minutes but were not.
  - The Commission minutes are not authenticated by signature of the Commission Chair. Also, the minutes did not include the schedule of bills allowed and gross salaries required to be published in accordance with Chapter 28E.6(3) of the Code of Iowa.
  - <u>Recommendation</u> The Commission minutes should be signed by the Commission Chair to authenticate the actions taken. Also, the Commission should ensure the minutes are published as required.
  - <u>Response</u> We will sign minutes to authenticate. We will ensure minutes are published as required.
  - Conclusion Response accepted.
- (4) <u>Deposits and Investments</u> Except as noted below, no instances of non-compliance with the deposit and investment provisions of Chapters 12B and 12C of the Code of Iowa were noted.
  - The Commission has not approved a depository resolution for the Agency. In addition, the Commission has not adopted a written investment policy for the Agency as required by Chapter 12B.10B of the Code of Iowa.
  - <u>Recommendation</u> The Commission should approve a depository resolution for the Agency. The Commission should also adopt a written investment policy for the Agency as required by Chapter 12B.10B of the Code of Iowa.
  - <u>Response</u> We will approve a depository resolution. Currently we do not have any investments, however, we will adopt an investment policy prior to obtaining any investments.
  - <u>Conclusion</u> Response accepted.

# Schedule of Findings

June 30, 2007

(5) <u>Electronic Check Retention</u> – Chapter 554D.114 of the Code of Iowa allows the Agency to retain cancelled checks in an electronic format and requires retention in this manner to include an image of both the front and back of each cancelled check. The Agency does not obtain an image of the front and back of each cancelled check as required.

<u>Recommendation</u> – The Agency should obtain and retain an image of both the front and back of each cancelled check as required.

<u>Response</u> – We have contacted the bank and will obtain both sides of each check in the future.

Conclusion - Response accepted.
