Power Play 10X Returns for April Run

More Bang For Your Buck! March 30 - April 30, 2008* Power Play 10X returns for another run this April, allowing players who choose the Power Play to multiply their non-jackpot prize up to 10 times during the promotion period.

During the promotion, one of the four "5"s on the Power Play wheel will be substituted with a "10." If the number "10" is drawn during a Power Play drawing, all Power Play prizes will be multiplied by 10 for eligible players who have purchased the Power Play option. That means, if a player wins the \$200,000 second tier prize with the Power Play on your ticket and the "10" comes up on the Power Play wheel, you'd win

\$2 million! Jackpot prizes are not eligible for Power Play.

*Promotion runs until 10 is drawn

Sales for the 10x promotion will start on March 30, 2008, and the first drawing with a "10" on the Power Play wheel will be Wednesday, April 2, 2008. The promotion will run for at least eight drawings or until the "10" on the Power Play wheel is drawn at least once, whichever period is longer. The "10" could be drawn up to eight times during the promotion (once for each of the eight drawings). If the "10" is drawn at least once, then the 10x promotion will end with the final drawing on April 30, 2008. Otherwise, the promotion will continue until the "10" is drawn. Multi-draw Powerball with the Power Play tickets purchased prior to March 30 that are good for drawings during the promotional period are eligible for the 10x promotion.

Remind players to purchase the Power Play, especially during this promotion!

Some Lottery Ticket Sales Will Benefit Veterans' Causes

Governor Chet Culver has signed into law a proposal authorizing new lottery games to strengthen the Iowa Veterans Trust Fund. The governor signed House File 2359 during a ceremony at the State Capitol on March 11.

"Iowa's veterans have served with dignity and with excellence, and all veterans have the gratitude of every citizen," Governor Culver said. "Throughout my administration, I have been proud to stand up for these brave Iowans who have fought so hard for our state and nation. Now, we will stand up for them once more, and use Iowa Lottery profits to support our hometown heroes."

House File 2359 authorizes the Iowa Lottery to create two new instant-scratch and two additional pull-tab games each year. Profits generated from those games will be used to support veterans and their families through the Iowa Veterans Trust Fund.

Ken Brickman, the Iowa Lottery's chief operating officer and acting CEO, said the lottery is humbled by the opportunity to provide revenues for such a noble and worthy cause.

"We're looking forward to our first games to

benefit the Iowa Veterans Trust Fund," Brickman said. "Everyone can have fun playing the games and know that the money generated from the sale of tickets will be going to help those who have given so much for our country."

The lottery's first games to benefit the Trust Fund will be available starting in July. "Stars & Stripes," a \$1 game, will be the first instant-scratch game

dedicated to veterans' causes. It will have a red, white and blue theme and will begin sales on July 14. "All American" will be the first pull-tab game dedicated to the cause. The \$1 tickets will begin sales July 21 and will feature artwork of several patriotic symbols including the liberty bell, Statue of Liberty, Uncle Sam and the U.S. flag.

Bussey Couple Wins \$1 Million Playing 'Set For Life' Game

Michael and Roxann Price of Bussey came to lottery headquarters to claim a \$1 million prize they won playing the Set For Life game.

Michael Price of Bussey has plans close to home for the \$1 million prize he won in the Iowa Lottery's "Set For Life" scratch game.

"Our son is handicapped, so we had to put him and his hospital bed in our living room," Price said as he claimed his prize at lottery headquarters. "This way, we're going to be able to get a home to take care of him - big enough to have the room and for him to get his therapy baths. Stuff for him - that's our goal. That's what we've always worked for."

Price, 44, a roofing contractor, was accompanied to claim his prize by his wife, Roxann, and their son David Poe, 25. Their younger son, Travis Poe, 19, could not accompany the family on their happy trip.

"That's what our whole goal is going to be "taking care of the family," Michael Price said.

The couple laughed and cried after realizing that they had won a \$1 million prize.

Roxann Price, 46, is a certified nursing assistant who now stays at home to care for their younger son. She said she actually scratched the winning ticket.

"When I scratched it, I thought I had won \$10,000, but my husband said,

'No, baby, we won the Set for Life!'" she said. "And I cried."

Michael Price bought the winning ticket at Katy Did General Store, 419 Merrill St. in Bussey.

They spent the weekend with the winning ticket locked in a safe in their home.

"We tried to act like nothing had happened, but it was hard to hold back," Roxann Price said with a laugh.

The couple said they're proof that a lottery win can happen to anyone at any time.

"That's good that it happened in a little town like ours because it makes it look like this can really happen," Roxann Price said. "We're average people. I just feel this way, it only happens once in a lifetime and if it's meant for you, it's meant for you."
