A store may win more than once, and the credit will appear on the weekly statement.

- It's an Iowa-only game! So Iowa Lottery players will take home all the prizes.

There are 17 more chances to win a \$250 credit, so keep those sales going! 🍀

Answers to Common Lottery Questions . . .

Why is there a sales cutoff time for lotto games?

All lottery games involve a high level of security controls that take time to administer. Officials

must ensure that proper procedures are followed. The

Iowa Lottery wants its games to be completely fair and honest. A number of measures ensure every ticket issued in a lottery game has the same chance of winning. If players have questions, refer them to the yellow lotto brochure.
