To the Members of the Board of Regents, State of Iowa:

The Iowa Braille and Sight Saving School is a part of the State of Iowa and, as such, has been included in our audits of the State's Comprehensive Annual Financial Report (CAFR) and the State's Single Audit Report for the year ended June 30, 2008. In addition to these reports, we also prepare a separate report of recommendations pertaining to each School's internal control, compliance with statutory requirements and other matters when our audits disclose findings we believe should be brought to your attention.

In conducting our audits, we became aware of an aspect concerning the School's operations for which we believe corrective action is necessary. As a result, we have developed a recommendation which is reported on the following page. We believe you should be aware of this recommendation which pertains to the School's internal control. This recommendation has been discussed with School personnel and their response to the recommendation is included in this report. Also, we have included on page 6 of this report certain unaudited financial and other information to report an average cost per student for the School for the five years ended June 30, 2008 as required by Chapter 11.28 of the Code of Iowa.

The Iowa Braille and Sight Saving School's response to the finding identified in our audit is described on page 4. While we have expressed our conclusion on the School's response, we did not audit the Iowa Braille and Sight Saving School's response and, accordingly, we express no opinion on it.

This report, a public record by law, is intended solely for the information and use of the officials and employees of the Iowa Braille and Sight Saving School, citizens of the State of Iowa and other parties to whom the Iowa Braille and Sight Saving School may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Iowa Braille and Sight Saving School during the course of our audits. Should you have questions concerning the above matter, we shall be pleased to discuss it with you at your convenience. Report of Recommendations to the

Iowa Braille and Sight Saving School

June 30, 2008

Findings Reported in the State's Single Audit Report:

No matters were noted.

Findings Reported in the State's Report on Internal Control:

No matters were noted.

Other Finding Related to Internal Control:

<u>Segregation of Duties</u> – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible.

- Responsibilities for receipt collection, deposit preparation and reconciliation functions are not segregated from those of recording and accounting for disbursements.
- Responsibilities for disbursement preparation are not segregated from those for recording cash disbursements.

<u>Recommendation</u> – We realize segregation of duties is difficult with a limited number of office employees. However, the School should review its control activities to obtain the maximum internal control possible under the circumstances.

<u>Response</u> – We will review procedures and obtain the maximum internal control with the current staff.

Conclusion - Response accepted.

Findings Related to Statutory Requirements and Other Matters:

No matters were noted.
